

The manufacturing and industrial committee of the Chamber of Commerce yesterday was requested by Mr. Otis, real-estate man, to make a survey of the San Fernando valley to determine the qualifications of that district for supporting industries for the benefit of the rapidly increasing population.

Mr. Otis pointed out in his plan the proposed survey that factored in the agricultural and food-packing activities of the valley to provide employment for the increasing number of people seeking homes there.

"I firmly believe," Mr. Otis said, "that the San Fernando valley is one of the most fertile in the country and we will have to make a survey of the valley to determine the qualifications of that district for supporting industries for the benefit of the rapidly increasing population."

The committee of the proposed survey the valley will be available to manufacturers seeking locations for plants.

It is thoroughly electrical, enough power to run eight factories, the new plant, California, built for the New California service, will be completely electrified, from the two horsepower motors which will be the propellers to the company's small ventilating fans, electric lighting, electric elevators, and other auxiliaries provided for the comfort of the passengers.

California, as well as her sister to be built here, will drive the turbine-electric method of propulsion installed by the General Electric Company, which has already fitted four of the U. S. Navy's battleships and its two destroyers with the same type of drive, using the propellers, but also the steam, deck machinery, pumps, and other auxiliaries provided for the comfort of the passengers.

It is thoroughly electrical, enough power to run eight factories, the new plant, California, built for the New California service, will be completely electrified, from the two horsepower motors which will be the propellers to the company's small ventilating fans, electric lighting, electric elevators, and other auxiliaries provided for the comfort of the passengers.

NYO JURORS ACCEPTED First Watterson Rumania Will Be Witness Heard Made Republic

Court Overrules Defense Demurrer on Ground of No Public Offense
State's Objection to Raising of Water Controversy Upheld by Court

By CHESTER G. HANSON
Times Staff Correspondent
INDEPENDENCE, Nov. 1.—(By wire)—The jury in the case of the Inyo County Bank was accepted today after a long session. The jury, composed of eight men and four women, was selected from a list of names submitted by the Inyo County Bank. The jury was sworn and then the court overruled the defense demurrer on the ground of no public offense. The state's objection to raising of water controversy was upheld by the court.

With the opening of the court this afternoon the two defendants, J. W. Watterson and W. W. Watterson, known by the length and breadth of the county as the pillars of the community, sat in the courtroom and heard their erstwhile boom and boomers lead advice to the jury. The district attorney, who would prove the two brothers to be in effect embezzlers and falsifiers.

COMPLAINT READ
Court Clerk Louis Bode read the lengthy complaint charging the Wattersons with thirty-six counts of embezzlement and grand theft ranging in amounts from \$50,000 to \$75,000, and totaling nearly \$450,000. The thirty-six counts charge the Wattersons with the theft of money from the Inyo County Bank, the State Bank of Independence, and the State Bank of Independence.

EDISON GOES GUMMING

Rubber for Next War Sought
Research for Native Product Conducted in Expectation of Strife With Europe
Inventor Aided by Ford and Firestone in Experiments to Safeguard Nation

NEW YORK, Nov. 1. (By wire)—Thomas A. Edison is conducting his research into the field of rubber production as a war preparedness measure, he has revealed in an interview to be published tomorrow in the December issue of Popular Science Monthly. His objective is the discovery of a plant which will produce rubber quickly in America in the event of a war with Europe.

WIDESPREAD SEARCH
Edison also disclosed that, with the co-operation of Henry Ford and Harvey Firestone, the tire magnate, he is conducting researches in all parts of the world in addition to working personally on the problem at his West Orange (N. J.) home. They have worked out a detailed plan to seek with existing standards, and a scientific expedition has been sent on a year's tour of Southwestern American desert regions, while other agents are in South America, Asia and Africa, he revealed.

GREAT ANNUAL SUPPLY
It must be something which will stand light frosts, be easy to grow, and produce a large crop of rubber annually and always will be abundant on the tropics. It is pointed out, explaining that wages on the plantations are 30 cents a day and commercial production from the trees requires a large amount of labor.

Turkey Re-elects Mustapha Kemal

ANQORA (Turkey) Nov. 1. (By wire)—Mustapha Kemal Pasha, dominant figure in Turkey's life since the World War, today was unanimously re-elected President of the Turkish republic.

Portugal Jails Nine for Plot

LISBON (Portugal) Nov. 1. (By wire)—Discovery of an extensive radical plot and the arrest of nine of the alleged conspirators was announced by the Portuguese government today.

WILL ROGERS REMARKS:

BEVERLY HILLS, Nov. 1.—[To the Editor of The Times:] Mayor Bill Thompson of Chicago has started a society called "America First." You send \$10 to defray the expenses of trying to keep it "first." Bill has the nucleus of a good idea, but like any good idea it's the improvements that make it. So I hereby offer stock in a society called "America Only," at \$20 a share.

WILL ROGERS, Founder and Treasurer.

JURY TAMPERING CHARGES

HALT TEAPOT OIL TRIAL
Sensational Affidavits Given to Court Accuse Burns Men and Member of Panel

WASHINGTON, Nov. 1. (By wire)—The Fall-Sinclair oil conspiracy trial came to a dramatic halt today while a grand jury began investigating charges of efforts at jury tampering, which furnished sensational rivaling those when the oil scandal first broke in the Senate.

MOTHER ILL; NURSE TRIES TO KILL HER
Attempt to End Life of Cancer Victim May Not Be Punished by Britain

LONDON, Nov. 1. (Exclusive)—Mrs. Margaret Delavigne, a nurse who won a decoration for her services on the field during the war, tried to kill her mother with a poison last week, but not even British justice will try to punish her.

Marines Clash With Bandits

WASHINGTON, Nov. 1. (By wire)—A report from Dana Munro, American in Managua, saying that two strong combat patrols of marines and Nicaraguan National Guard are operating in the district where two Marine Corps aviators were lost recently.

MAYOR QUIZZED ON HISTORY

CHICAGO, Nov. 1. (Exclusive)—"Sport" Herrmann, ex-newspaper and poster, now Mayor Thompson's literary Galahad in the campaign of the "America First" forces against pro-British propaganda in the Chicago Public Library, is to be quizzed on his knowledge of history and literature, it was decided today in Judge Byrnes' court.

Two Men Perish in Hotel Blaze

DENTON (Tex.) Nov. 1. (By wire)—Two men were burned to death, another received serious injuries and seven persons narrowly escaped when the Keaton Hotel was destroyed by fire today. The dead are J. A. Patton, 44 years of age, and Frank Billingsley, 50.

WILL ROGERS REMARKS:

Answers to the bill must be filed before the 22nd inst. when the petition will be heard.

SKINNER FETED ON HIS JUBILEE

PHILADELPHIA, Nov. 1. (AP)—Fifty-five to Otto Skinner on the fiftieth anniversary of the beginning of his stage career was paid today by 300 leaders of the intellectual life of the city at a luncheon.

The noted actor, the guest of honor, recalled October 31, 1877, when he entered the Ninth and Arch-street Museum with a letter of introduction to P. T. Barnum, which read: "O. A. Skinner is known to me. His parents are very respectable people."

Mr. Skinner said his memory of the old days is cloudy. "But I remember that I had nightmares about missing my lines. I was a forlorn boy, wandering about the streets without friends, repeating my lines to myself constantly."

"My first job at the Arch Street Museum paid me \$5 a week. I played 25 parts that first year. Once, when I went on the stage, my legs shook so badly that the manager exclaimed: 'For God's sake, Skinner, keep your legs still.'"

To Stop a Cold in One Day
Take Little Brown Quinine Tablets. The Safe and Painless Remedy. (The First and Original Cold and Cough Syrup.) Look for signature of W. G. Grace on the box.

Sleep Walker Killed in Fall

RICHMOND (Cal.) Nov. 1. (AP)—Capt. of Police R. V. Shirley died today of injuries received when he fell from a second-story window of his house last night as he walked in his sleep. The accident was attributed to nerve derangement suffered after he worked three hours to help extricate the mangled body of a railroad worker from beneath the trucks of a tank car.

BARRED ROCK HENS WIN LAYING CONTEST

SEATTLE, Nov. 1. (AP)—The barred rock hen came into its own today with the closing of the eighth annual egg-laying contest under the auspices of the experiment station of Washington State College at Pullman. In the contest were 100 pens of ten hens each, sent from leading poultry fancies from the Atlantic to the Pacific. A pen of barred rocks from the Cedarbrook farm, Seattle, won first with a lay of 3800 eggs in the year.

TREES FOR WIDE HIGHWAYS ONLY

SACRAMENTO, Nov. 1. (AP)—California's highway tree planting activities in the future will be carried on only along such highways as have the minimum eighty-foot right of way, Bert B. Meek, Director of Public Works, announced today in ordering a change in policy in roadway beautification work.

The growth of traffic on the highways, Meek said, makes it advisable to formulate a new policy, as studies indicate present roads within a few years will be carrying from two to three times their present amount of travel. To continue planting along sixty-foot rights of way, where the trees eventually will have to be removed to make way for development, the director believes to be unwise.

Accordingly Meek announced that in the future consideration for permission to plant trees will be given only when eighty-foot rights of way have been provided.

The director also announced that hereafter power companies and other concerns running pole lines will be required to place their lines along the right of way so that trees may be planted along the curb.

Zona Gale Gets in Divorce Row

CHICAGO, Nov. 1. (AP)—The name of Zona Gale, the author, has been drawn into a divorce-court fight between Roscoe C. Price, auditor of the Chicago Civic Opera Company, and Juliette Price, his chorus-girl wife, over custody of their child, Jean, 5 years of age.

An attorney for Mrs. Price charged that the writer is interested in the father obtaining the child so that she could adopt it. Counsel for the father said Miss Gale's only interest is friendship for Mrs. Ellen Price, grandmother of the child, who had the care of the writer's adopted daughter, Mrs. Ellen Price lives at Portage, Wis., home of Miss Gale.

Hearing on custody of the child is continued to the 14th inst.

PORTUGAL MOURNS MURDERED OFFICIAL

LISBON, Nov. 1. (AP)—Luís Deodato, director of the state printing office, who was shot yesterday by an unemployed printer, died today after two operations. His death is considered a national calamity.

MERCY ASKED IN DEATH LOTTERY

LA PAZ (Bolivia) Nov. 1. (AP)—The President of Bolivia has before him today a plea to save Alfredo Jauriqui from facing a firing squad to which a death lottery condemned him.

Jauriqui, one of the four men convicted of the murder ten years ago of former President Jose Manuel Pando, is sentenced to be executed at 9 a.m. Friday.

The governor of the prison searched Jauriqui, brother of the man who drew the black ball which selected the convict who should face the firing squad, and found some poison tablets on him. Jugo said he intended to swallow them at the time of the execution. The governor charged that he intended to pass them to his condemned brother so that the latter could escape the firing squad by committing suicide.

A delegation of thirty-six women visited President Hernandez Siles, beseeching him to pardon Jauriqui. They were spurred on in their effort by the prisoner's mother. The President refused at first to intervene but later took their plea under advisement, saying he will see what can be done to revise the sentence.

Our New Plant— Should It Be Multistory or Single Story?

DECISION on this question should be made only after consultation with engineers who are intimately acquainted with every phase of the subject. Ground cost, usable floor space, layout of operations, and numerous other factors need to be carefully weighed. The present tendency among automobile manufacturers, tire companies, laundries, etc., may have a direct bearing upon your problem.

Austin has for many years been studying the relative advantages and disadvantages of multistory and single story designs under diverse conditions, and has designed and built hundreds of plants of both types. Today Austin has under way a number of plants several stories in height, as well as millions of square feet in single story construction.

Several years ago Austin published a booklet entitled "Multistory or Single Story—Which?" The widespread and ever growing interest in this subject has made necessary the printing of a fourth edition—more than 50,000 copies are already in the hands of industrial leaders.

A copy of this treatise will be sent you on request, together with other valuable data and building information.

Whatever the type or size of project you may be contemplating, anywhere from Coast to Coast, it will pay you to get in touch with Austin.

When you study, wear studious glasses

There's "a place for everything and everything in its place"—and the logical place to wear shell-rims is in your study, library or office, for quiet reading or writing. For street wear, however, most men are coming to prefer a somewhat less conspicuous eye-dress—White Gold spectacles, which don't give you a falsely "owl-like" look.

DON'T let the shell-rimmed comedians of stage and screen prevent you from recognizing the genuine merits of shell-rim glasses. Used in their proper place, they are comfortable and convenient. Your optical specialist will show you excellent examples of zyl craftsmanship in a variety of attractive styles.

Fighter Halted in Less Than Three Minutes

Mike Sent Down Thrice in Scrap at Chicago

Muscle of Ring Laid Out Cold by Fistic King

CHICAGO, Nov. 1. (AP) Walker, world's middleweight champion, knocked out Mike McGuffee, former light-heavyweight titleholder, in the first round of a scheduled ten-round fight at the Coliseum here tonight.

McGuffee, the Methuselah of the ring, was knocked down three times before he was able to get across the middle rope of the ring. His hands at his side, his eyes closed, helpless and unable to defend himself.

There he was counted out.

The end came two minutes and fifteen seconds after the fight.

Walker, boxing cautiously, not getting warmed up until a few minutes had been exchanged—then suddenly landed on with a right jab, following it up with a hook, which knocked the veteran McGuffee into the ropes.

Walker walked in, driving terrible blows to the jaw, and McGuffee, like an old man, started up to the floor, but fell across second rope and hung there.

McGuffee, who had been knocked out, attempted to struggle to his feet. He was knocked down again, this time in Walker's arms. He got up and stood there a few minutes, but was again knocked down by a right jab.

Walker cracked him with right lefts. He did not fall the last time, but dropped to the floor completely knocked out. McGuffee was worked over him frantically for five minutes before he was counted out.

Tonight's battle was the second between the two men. They fought back in 1925 when Walker was a welterweight. The result in that fight was a draw.

Tonight, Walker left nothing for McGuffee to worry about.

Walker weighed 160 pounds, while McGuffee scaled 171 1/2. McGuffee made only a feeble effort to fight, landing only one solid punch, a stiff jab to the jaw.

California Women Golf Champs Trounce Los Angeles Club Stars Over Wet Lin Dry Fields

HEAVY COURSE AIDS VICTORS

League Leaders Unbeatable in Team Classic

Lakeside Humbles Wilshire in Thrilling Play

Nevada-Kiwamis Golf Meet at Lakeside

BY BILL WISE

Mrs. Gregg Lufur and her California team-mates defeated the visiting Los Angeles players, 3½ to 1½, in a national auxiliary league match staged over the heavy course yesterday.

A heavy course handicapped the Beverly exponents, who were defeated by the California club women, winners of the championship last year. The match was a close one, with the California team leading by a single stroke at the end of the day.

Mrs. Lufur, wearing the southern state crown for the second consecutive year, and Mrs. H. A. Green won three ways from Mrs. H. D. Hammond and Mrs. E. M. Voorhes. Mrs. C. W. Fellows and Mrs. George Burrall threatened to repeat, but Mrs. Weber and Mrs. Hard broke through to have one side.

Mrs. Hammond and Mrs. G. M. Hittinger, collected all three disputed points from Mrs. G. M. Midgley and Mrs. C. K. Gordon and California now enjoys a very comfortable lead, at the halfway mark in the current league competition.

Brentwood scored an 8-to-1 victory at the expense of the visiting Rancho team yesterday, to keep within halcyon distance of the fast-traveling California aggregation.

Mrs. Dan Jones and Mrs. L. A. Elliott chalked up a best ball of 77 to win from Mrs. Charles Owens and Mrs. E. Belmore. Mrs. Edna Lytle and Mrs. Willie Hunter defeated Mrs. Harry Atwater and Mrs. E. S. Stanton, 2½ to 1½, while Mrs. L. B. Collier and Mrs. Paul Jones won by a like margin from Mrs. A. C. Little and Mrs. J. L. Martin.

Mrs. E. S. Brown and Mrs. Willie P. Lohman defeated Mrs. Ted Hase and Miss Helen Lawson, 5 to 1 in the last inter-club affair at Lakeside yesterday and Mrs. L. B. Collier and Mrs. J. P. Horn, by winning, 2½ to 1½, from Mrs. E. S. Bennett and Mrs. E. P. Hill, insured Wilshire's defeat. Mrs. Howard Gates and Mrs. E. C. Noble played near perfect golf to defeat Mrs. Harry Westbrook and Mrs. W. S. Stanley, 2½ to 1½.

Bel-Air was unable to muster a

BANNING IN READINESS FOR AMERICAN LEGION RACES

Legionnaires of Banning, sponsors of the Armistice day auto races, have completed the final plans and details in connection with the speed events and are now busy decorating the little football city as it has never been dressed up before.

Ten thousand American Legion members have been invited to attend the annual championship races and the race committee is prepared to handle the largest crowd in the history of the speedway.

With thirty-five drivers entered in the six big races, coming from all parts of the country, several more track records are certain to be

made yesterday and defaulted to Hollywood. Mrs. A. E. D. Trubee's home club picking up 9 points that will be valuable later in the season. Rain that continued through Monday night postponed the complete circuit wide schedule but postponed games will be played tomorrow or Friday.

Los Angeles (1½); California (1½); Mrs. H. D. Hammond, Mrs. H. M. Voorhes, 40; Mrs. Gregg Lufur, Mrs. H. A. Green, 39½.

Mrs. G. M. Midgley, Mrs. Carl Gordon, 38; Mrs. E. S. Brown, Mrs. Willie P. Lohman, 37.

Mrs. E. P. Hill, Mrs. E. P. Hill, 36½; Mrs. L. B. Collier, Mrs. J. P. Horn, 35½.

Mrs. Howard Gates, Mrs. E. C. Noble, 34½; Mrs. Harry Westbrook, Mrs. W. S. Stanley, 33½.

KIWANIS TOURNEY AT LAKESIDE CLUB

The Nevada-California State Kiwanis tournament will be staged at the Lakeside golf club tomorrow. Paul Reynolds, in charge of the affair, expects at least 100 local and visiting golfers to compete. Suitable trophies will be awarded winners in all divisions.

POTRERO PLAY NEXT THURSDAY

Rain that completely washed out the Professional Baseball Players' association golf championship, scheduled for Fox Hills last Monday, also caused Potrero club officials to postpone the annual club invitational one week. Entrants may qualify, eight-week holes, either next Tuesday or Wednesday. The two-day mixed foursome event will be played one week from next Sunday and will conclude the affair that promises to draw a large entry of local amateurs. Potrero is off Manchester avenue, one mile west of Western.

COOK LOSES TO CORBETT

FRENO, Nov. 1. (P)—Young Corbett, port-sized Fresno welterweight, scored a knockout over Dave Cook, highly touted Fresno brawler, in the second round of their scheduled ten-round bout here tonight.

OBSERVATIONS

BY THE "ANNOYANT" WILL HENRY

LOOKS like there's going to be a terrible riot over the possibility, or rather the lack of it, of getting a Trojan rooting section to Chicago for the Trojan-Notre Dame football game. Distant as Chicago is, the Trojan rooters and band would certainly make the trip in respectable numbers if they could get a reasonable rate on the railroads but to date the roads have shown no signs of giving the students anything that looks like a low rate. Just why it was possible to get out rates to Chicago for the Dempsey-Taney fight and not get them for the Trojan-Notre Dame football game is something that is a little too deep for Yours 'Avry to figure out. Personally we think something ought to be done to encourage the biggest possible Trojan representation in the stands for the game.

While there's a lull in the local football situation as far as the world-beating Trojans are concerned, there is plenty of excitement for those who like football as football. Our use is that the folks will go a long way and see a whole lot worse football than they'll see at the Coliseum, when the Pomona and U.C.L.A. teams mix and the same thing will be done to encourage Gonzaga and Loyola at Loyola, also Saturday. There is plenty of feeling between the schools involved in these two games and the teams themselves play good football. They'll both be worth seeing.

Meanwhile the sport world is turning its attention to the moment, to the fistful engagement at Wrigley Field involving the Messers Ake Budkins and Dundee. Dundee is the holder of the world's welterweight title and Mrs. Budkins is the applicant for same. Both boys are constructed without any reverse gear. With them it's a case of full speed ahead and nothing else. With the world's championship at stake and a couple of willing parties like these involved it is no wonder that the fans are waiting up to the stadium and stampeding for the box office.

Nobody has suggested it but why don't they play that game between L.A. High and Franklin in the Coliseum, where the folks can see it and enjoy it.

TAD JONES TO STAY AT YALE

(Continued from First Page)

machine he was building when he quit, started winning.

It is the spirit of his squad that may draw Jones back next year. Every player, it is said, goes into every game with a feeling that victory will help Jones reconsider his wish to resign. The team is not only fighting "for God, for country and for Yale"—it is also fighting for Tad Jones.

Joe Beckett, quarterback in 1924 and one of the freshman coaches this year, is among those who confidently expect Jones back next year. Lovely, a great center three years ago, is as strong as Beckett in that belief. And Capt. Webster, Charlesworth, Caldwell and Bob Hall deny that anybody has been seriously considered as a possible successor to Jones.

HELEN WILLS GETS SCULPTOR'S GIFT

BENKLEY, Nov. 1. (P)—The ceremony of presenting to Helen Wills, California tennis star and women's amateur tennis champion, the bust of herself by Hag Patigan, California sculptor, has been set for next Friday.

The bust, completed today, was classed by critics who saw it as one of Patigan's best works. Former United States Senator James D. Phelan will officiate at the presentation, which will be a public affair in the rotunda of the City Hall in San Francisco.

BELLO TO TAKE ON ESCALANTE TONIGHT

Young Bello is to be the opponent of Tony Escalante, the Bad Man from the Border, in the main event at the Pasadena Arena tonight. The arena show is being moved ahead from the usual Thursday night, to Wednesday, so as not to conflict with the Dundee-Rudding game.

Marcelino Lomeli, always popular at the arena, will fight Pastor Magambol, a Filipino importation, in the six-round semifinal, 126 pounds.

Four-round fights will be: Clayton Gourd vs. Mike Cordova, 118 pounds; Ray Cardinas vs. Antonio Cordons, 138 pounds; Pete Cardinas vs. Ray Molina, 124 pounds.

BRITISH PLAY FRENCHMEN

PARIS, Nov. 1. (P)—Three English football teams invaded the continent today, winning one game and tying the other two. Black Heath of the Rugby Union, defeated the Racing Club de France, 13 to 0. In an inter-league match the London soccer team drew with a Paris eleven, one goal each, while at Brussels the London Football Association and the Diables Rouges played a 2-2 draw.

ANGELENOS NAB TITLES IN BAY CITY

Los Angeles Boxers Walk Off With Major Honors in Amateur Tourney

SAN FRANCISCO, Nov. 1. (P)—John Jordan of Hollywood, tonight won the far-western amateur boxing championship when he took a three-round decision over Manuel Trevino, also of Hollywood.

Others who won far-western amateur titles were: Bad-tamewel h t—Huerfana Evans of Los Angeles, national amateur champion, who defeated Blase Albe of Los Angeles, attached in the final.

Featherweight—Ben Golden of Los Angeles, who knocked out Ralph Johnson, San Francisco Young Men's Institute, by a decision in the final.

Lightweight—Francis Burke of Olympic Club, who defeated Robert Andrews, Olympic Club, in the final.

German Steel Baron Golfs at Lakeside

Auguste Thyssen, head of the steel and iron trust in Germany; Prince Ruspoli, Italian diplomat and financier, and Count Oppersdorf of Germany were golfing guests of Douglas Fairbanks at Lakeside yesterday. The visiting dignitaries expressed themselves as more than agreeably surprised at the condition of the Lakeside course in particular, and Southern California tee-and-greens facilities in general.

The German steel leader has a small private course of his own near Berlin and expects golf to become popular in his home country. "Doug" led the scoring yesterday.

DOMAN AND BENDY SQUARE OFF TONIGHT

Determined to build up such a record that Oscar Baker, widely touted newboy, cannot continue to ignore his claim for a match, Vito Doman, sensational heavyweight knockout artist, will appear in the main event at Ocean Park Athletic Club this evening. He will take on Ernest Bendy in a six-round mill. Doman has tried unsuccessfully for months to get into the ring with Oscar Baker.

PLAN NOVICE TRACKFEST

The annual interclass and interfraternity novice track meet will be staged by Coach Joe (Timberwolf) Pipal on the Cuy oral December 12, 14 and 15, the veteran track mentor announced recently on the Tiger campus.

WALLACE FINISHES HERMAN

CLEVELAND, Nov. 1. (P)—Will Wallace, Cleveland lightweight, won a technical knockout from Tommy Herman, Philadelphia, in the eighth round of a ten-round bout here tonight.

DON MOSES IN FULLBACK ROLE

(Continued from First Page)

year, but probably not before the Notre Dame or Washington games.

Mrs. CHERRY, secretary, there are a number of crumples parading around Bonard Field these days. In addition to Edelson there are Herschel Bonham with an infected arm, El Scheving with such a black eye he can hardly see out of his eyes, and Charley Boren with his game leg.

Don Williams with his weak ankle and Marshall Duffield, the fresh ace, who appeared yesterday for the first time since receiving a broken leg two weeks ago. Duffield is also on crutches. Fortunately, none of the variety who Edelson is seriously injured. Boren wasn't out last night, although his doctors had told Jones that Charley would play against California last week. Incidentally, Boren wishes it understood that Honey Earle did not tackle him in practice two years ago when Charley was laid up for the rest of the year.

Jones let the varsity down easy last night and the boys will do little other than run signals all week. They have been through some tough games and have some tougher ones scheduled. This week is a real resting period for the Trojans.

The scrubs are getting plenty of work, however, and are scheduled last night and will be at it again today. Jeff Cravath has taken over the Spartans and is busy drilling them in Washington State plays. He would appreciate a few new backs, if any idle young men wish to apply for the job of being battered around by the varsity.

GONZAGA TEAM OUT

The Gonzaga team, who plays Loyola here Saturday, worked out on Bonard Field yesterday morning. There is some possibility that the Bulldogs may scrimmage the Trojan scrubs either today or tomorrow, just to give the visitors a workout.

Fog Murray, the well-known and justly famous cartoonist, whose drawings appear in The Times, was an interested spectator at yesterday's workout. Fog thinks the Trojan team is pretty good and says he won't miss the Notre Dame game for anything.

EL MONTE MIDGETS DOWN PASADENANS

EL MONTE, Nov. 1.—The El Monte Midgets proved to be better mudders and wallowed Muir Tech of Pasadena, 18 to 0, today at Pasadena. El Monte put over their first touchdown by straight plays featuring Rhodes and Waters. The second score came as Holmes leaped high in the air and snagged a pass on his 40-yard line and with perfect interference ran to a touchdown.

The kicking of Downs by John Muir was the feature of their offense. John Muir's defense tightened in the second half and held El Monte to a single marker which came as a result of a 30-yard run by Waters and several line plays by Logan and Holmes.

TWELVE BEARS EARN THEIR 1927 LETTERS

With three games remaining on their schedule only twelve members of California's football varsity have earned their letters so far this season. In order to win a Big C a man must play forty-five minutes in Pacific Coast Conference games. The men who have seen this service to date are Capt. Fritz Coltrin, Ralph Dougan, Doug Phillips, Ray Rogers, James Douglas, Louis Fitty, Harry Gill, Ned Green, "Speed" Newman, Ben Lom and Elmer Geiglin.

O'DOWD WINS OLYMPIC BOUT

(Continued from First Page)

count of nine in the fifth and continued to wipe out Duggan's early round lead in the next two sessions.

Duggan was piling up a nice lead on points until Baron scored heavily in the fifth. Duggan is a nice boxer and seems to pack a pretty fair punch, but Baron, though wild, exhibits a stiff right-hand punch that becomes caution.

Jimmy Ryan, one of the toughest 151-pound battlers in Uncle Sam's navy, uncorked a literal barrage of rights and lefts that collected five of the six disputed stanzas from Billy Blake in the special event. Ryan crossed lefts and rights and Blake looked just about ready to call it a day when the bell ended the fracas.

Ryan staged his six-round leather-pushing stunt for the benefit of a large delegation of enthusiastic sailors and while the house last night was small, the noise from the gods, especially while Ryan was performing, was loud and large.

Johnny Cruz stepped through four fast rounds with Johnny Fox for the decision in the curtain-raiser.

HOPPE STILL LEADS REISEL WITH CUE

NEW YORK, Nov. 1. (P)—Willie Hoppe led Otto Reisel, three-cue billiards champion, at the end of the fourth block of their 720-point exhibition match tonight, 240-219. The fourth block was replete with sensational shots. Hoppe having a high run of nine, three fives and three fours. Reisel had a high run of five and three four.

The third block went sixty-eight innings and the fourth fifty-five innings.

WALLACE FINISHES HERMAN

CLEVELAND, Nov. 1. (P)—Will Wallace, Cleveland lightweight, won a technical knockout from Tommy Herman, Philadelphia, in the eighth round of a ten-round bout here tonight.

Outlook Good for Harriers at Redlands

UNIVERSITY OF REDLANDS, Nov. 1.—The Bulldogs' cross-country team, which last year took third place in the conference meet, is intact this season with the exception of one graduate. The varsity team is captained by Cecil (Polka) Dots, who took an individual third place last year.

Other members of the team back are William Hettler, Johnny Truesdell, 28, and Bill MacPherson, 29. Other men out for varsity positions are L. Scottie, 28; L. Hinkle, 28; N. Bondon, 30; R. Cargille, 30; A. Clarke, 30; P. Clark, 30; H. Clarke, 30; W. Cope, 30; J. Ellis, 30; G. Forbes, 29; E. Goodman, 30; J. Greenfield, 30; C. Hillard, 30; J. Johnson, 29; C. Johnston, 30; D. Kreyler, 29; R. Lee, 30; A. Lund, 28; M. Martin, 29; C. McKinnin, 30; H. McMillan, 29; C. Neighbor, 30; E. Reidman, 28; O. Seat, 29; W. Simmons, 29; A. Storer, 28; N. Taylor, 30; C. Wilcox, 28. Practice is progressing apace under the guidance of Coach Ashel Cunningham.

Seventeen men are out for the freshman team: B. Coe, J. Dobyns, Ebel, S. Everett, D. Griesend, C. Happon, A. Harrel, H. Hopkins, E. Knight, M. McKensie, W. Moore, E. Pierce, T. Phelps, A. Black, E. Shurtliff, K. Thayer and H. Twitty.

FULL HOUSE FOR JOE WOODS-BAKER FIGHT

A packed house will greet Joe Woods and Oscar Baker when they get together at the Culver City Stadium Saturday night in the second main event. Both these youngsters have been badly booed so highly that few of the regular boxing fans of Southern California want to miss being in on the battle that promises to be the most sensational in local heavyweight history.

SEEK NEW BALL PARK

INDIANAPOLIS, Nov. 1. (P)—The American Association today announced plans to commission a grand jury to select a new site for a new baseball park. The new ballpark would cost \$500,000 and would be the most sensational in local heavyweight history.

PETE SAUER TO TAKE STRONG M

Nebraska Youngster Face Milo Steinberg in Olympic Mat Card

Pete Sauer, the Nebraska youngster who held Dick Daviawort, 230

Wichita headlock artist, to a tough battle last week, is signed to meet Milo Steinberg, declared to be the strongest in the world, in the special Lou Daro's mat show at the next Wednesday night.

Steinberg, like Daviawort, weighs 220 pounds. His record is as good as any in the present crop of top-notch wrestlers. Most of his bouts have been on the East, and as a result is known to mat fans in this area.

Although a dispute is said to exist between Richard Schickel, Stucke and Steinberg, the latter was the strongest, the latter his claim to that right at the big games of 1926, when he was still for weight lifting.

Of these bone-crushers are O and each claim the heavyweight championship of that country.

Wladek Zhyznak, the Polish and brother of the equally strong Stanislaus Zhyznak, met Joe Stecher in the main for the heavyweight championship of the world.

PETE SAUER TO TAKE OLYMPIC MAT CARD

Nebraska Youngster Face Milo Steinborn in Olympic Mat Card

Pete Sauer, the Nebraska youngster who held Dixie Davison out for a tough battle last week, has signed to meet Milo Steinborn, the world's best, in the special Olympic mat show at the Coliseum Wednesday night.

Steinborn, like Davison, weighs 220 pounds. His record is as good as any of present crop of top-notch mat men. He has been known to knock out the local elite in a few minutes.

Although a dispute is said to exist between Richard Schickel, Steinborn's manager, and the promoter, it is expected that the fight will take place at the Coliseum Wednesday night.

Steinborn is a Polish-American, and his manager, Richard Schickel, is a Polish-American. Steinborn is a Polish-American, and his manager, Richard Schickel, is a Polish-American.

Mixed Affair for Golfers Next Sunday

Qualifying play in the annual Women's Auxiliary mixed-tourney tournament will be staged at Hillcrest next Sunday. Match play in the yearly alternate-stroke affair will follow on succeeding Sundays at Hillcrest, in Caballero, Brentwood and Los Angeles. More than 100 ranking men and women golfers are expected to compete in the tournament. Starting times must be reserved between 12 and 3 o'clock Sunday, and may be secured by phoning the Hillcrest club, Empire 9880, this week. Qualifying play will be in foursomes, to be arranged by contestants.

SALE OF CLEVELAND CLUB PAVES WAY FOR ELECTION

CHICAGO, Nov. 1. (AP)—The first move toward clearing the path that leads to the presidency of the American League was taken today when negotiations were virtually concluded for the sale of the Cleveland club to a syndicate headed by Alva Bradley, Cleveland millionaire, who intends to become the club president.

When the sale is completed tomorrow, E. S. Barnard, the prospective president of the American League, will be automatically relieved as president of the Cleveland club. If the sale is not concluded, it was pointed out that Barnard could resign as president of the Indians, be elected president of the American League, and as such, proceed to lead a friendly hand in adjusting the Cleveland situation.

The sale of the Indians was temporarily held up today pending the rounding up of shares, as the original holders are dead. Mr. Bradley and his associates desire complete ownership that no minority stockholders may interfere with their plans. The controlling shareholder is Mrs. James Dunn, widow of the former president of the club. No opposition to the election of Barnard as president of the American League, succeeding Ben Johnson, is anticipated when the club owners go into session.

Kaplan Easy Victor Over Mike Dundee

NEW HAVEN (CL) Nov. 1. (AP) Louis (Kid) Kaplan of Meriden, retired featherweight champion of the world, won the decision over Mike Dundee of Rock Island, Ill., in a twelve-round bout here tonight and began his climb toward lightweight honors he occupied before he was set back two weeks ago in Chicago when he was knocked out by Jimmy McLarnin.

Kaplan advised the fight in every round.

open champion, who eliminated Johnny Farrell, Mamaroneck, N. Y., 4 and 3; Harry Cooper, Los Angeles, 7 and 6, and Gene Sarazen, New York, who eliminated J. G. Currier, Marlborough, Mass., 1 up on the thirty-seventh hole.

Bobby Cruikshank of Purchase, N. Y., and Bill Hushion of New York were the victims of upsets. Cruikshank lost a heart-breaking battle with Anthony Manero of New York, made a comeback in the afternoon round to win 4 and 2. Hushion lost on thirty-sixth, when his putt rimmed the cup, and bounced out giving William Klein of East Williston, N. Y., a one-hole advantage.

Tomorrow's pairings in the upper bracket will bring together Manero and Manero, Cruikshank's conqueror, and Tommy Armour and Tom Harmon, with the probability that Hagen and Armour will meet in the following round. Harmon defeated John Farrell of Feather River Inn, Cal., 4 and 3.

Other pairings in the upper bracket tomorrow will throw Charles Giffert of Los Angeles against Mort Dutt, Tacoma, Wash., and Al Espinoza, Chicago, against Harry Cooper. Gene Sarazen and Ed Dudley of Hollywood will be pitted together in the lower bracket; William Klein, New York, vs. Joe Turman, New York; John Golden, New York, vs. Harold Louis, Raleigh, N. C., and Frances Gailat, Wauwacota, Wis., vs. Ralph Beach of Bethesda, Md.

Hagen's play in the feature match of the day found him showing many flaws in the morning round, but he made a brilliant recovery on the last eighteen holes. The match seemed decided on the twenty-eighth hole when Farrell pushed his second to the rough and then dropped an approach into a ditch near the green.

Hagen's form flashed early in the afternoon round when he sank a thirty-footer from off the green and the stroke so flustered Farrell that the latter missed a five-foot putt. Farrell, however, rallied and took the twenty-ninth with a beautiful drive over the trees. Hagen was not to be denied and after the thirtieth, thirty-first and thirty-second had been halved, he drove to the green at the thirty-third while Farrell was trapped and failed to test out on his second. This made Hagen two up, with three to play, and he clinched the match on the next hole when Farrell's twelve-foot putt rimmed the cup while Hagen sank a six-footer.

OXFRESHMEN TO TACKLE BULL PUPS

Oxidation's freshman grid warriors will encounter the 'roos yearlings of Redlands University Saturday at Patterson Field in a set-to to the varsity battle between these same knowledge factories which is slated for 3:30 o'clock. The 'roos do battle at 12:30 o'clock.

The game marks the third conference struggle for the Oxy Cubs. So far the Babes have averaged an even 500, having dropped the season's opener to the U. C. Bruins and won a contest at the expense of San Diego State. The Tiger yearlings are after a second victory so that the annual Pomona-Oxy grudge battle the following week will carry more weight than usual.

BASEBALL VETERANS IN BOWLING TOURNEY

Members of the Association of Baseball Players of America will participate in a bowling tournament Saturday evening at the Picon in Alhambra, according to "Dad" Meek. The veteran athletes will start the balls rolling promptly at 7 o'clock.

Runner Nears Gotham After Long Gallop

ALBANY, N.Y., Nov. 1. (AP)—William H. Busch, veteran marathon runner of Boston, Mass., passed through here tonight on the final lap of his 3000-mile run from Los Angeles to New York. He carries a letter from Mayor Cuyler of Los Angeles to Mayor Walker of New York, and expects to reach the latter city tomorrow at 2 p.m. Busch left Los Angeles September 1 and is paced by a brother riding a bicycle.

State on successive Saturdays to hold out of the title-contending picture.

In any discussion of forward passing it is worth while to note the skill of Schuchman and little Geneva College, in Pennsylvania.

Coached by "Bo" McMillin, whose passing ability helped him gain All-American honors a few years ago, the Geneva team has clinched the tri-state conference title for the third successive year.

The Seattle field has been more or less a jinx to the Stanford team. Coming north with the great Ernie Nevers as their chief threat, Stanford was hurried back here in 1925 by the power of George Wilson and Elmer Tress.

Washington is expected to have a slight advantage on the wings, where Leroy Schuch and Don Douglas are.

Because of this edge, Bagshaw may attempt to meet Watson at his own game, passing. Tressau, Carroll and Thornton are all capable of surprising the opposition.

Washington's passes have been effective in any game in which they elected to use the air medium.

Stanford is figured to have more capable men in the backfield than Washington, but the Huskies' line may offset that strength.

The Huskies' line is the equal of any even on the Coast. Herman Briz, Elmer Hulse, Romeo Lauson and Don Economy, Bill Brown and Bill Wright are a set of six-foot giants who will give the Stanford backs a "tough" afternoon.

One of the largest crowds that can be jammed into a Pacific Northwest stadium is expected at this game which will decide the teams to chase Idaho and C. C. for the conference championship.

Additional bleachers have been constructed so that the Seattle stadium will accommodate 40,000 spectators.

BOSTONIAN COPS HANDICAP

PIMICO (Md.) Nov. 1. (AP)—Boston today won the Big Six handball tournament for a mile and a half dash for 3-year-olds. Black Panther was second and Mike Hall third.

COCHET BARN TROPHY

PARIS, Nov. 1. (AP)—Hercule Cochet, in one of his best playing days this year, today defeated Jean Anglun in the final of the covered courts tennis tournament, winning the Al Saints' Day cup, 6-3, 6-3, 6-1.

AMATEUR MATMEN TO MIX

Pacific Coast Tourney Opens Tomorrow Night at Olympic

Amateur wrestlers from the north start their invasion of Los Angeles this morning for the Pacific Coast wrestling tournament scheduled to start at the Olympic Auditorium tomorrow evening.

The tourney, which is being staged by the Los Angeles Athletic Club, is under the auspices of the Los Angeles Club, and will be continued Friday evening.

The Multnomah wrestler, Portland, Or., will arrive here at 8:30 o'clock this morning, and will go to the Los Angeles Athletic Club for a brief limbering up.

The North-west club is sending some good men with Ben Sherman, a real threat in the welterweight class. Sherman is also entered in the 160-pound division and may make that weight.

All contestants must report at the Olympic at 5 o'clock tomorrow for weighing in and physical examination.

The Olympic Club wrestlers from San Francisco will arrive today or tomorrow morning while three stars from the University of California at Berkeley are also due.

The Berkeley entrants include Glenn Berry, Los Angeles boy, who won fame at U. C. L. A. as a tumbler and gymnast.

The entry list was revealed to over ninety last night with the entering of twelve Long Beach stars, including seven from Long Beach High and five from the Pacific Coast Club.

On Saturday Coach Bill Cook will send his Santa Ana Junior College team to meet the Los Angeles team at the Santa Ana Junior College.

Stanford is especially desirous of winning the Southern California junior college championship because of a game scheduled with a team in Honolulu for the month of January.

Stanford has been beaten once by Fullerton but still figures to have a good chance of winning the flag.

Vibert Sends Wire East to Buy New Boat

Following up the Newport Harbor Yacht Club's decision to enter a six-meter sloop in the East vs. West yacht classic of Los Angeles Harbor next March, Vice-Commodore George E. Vibert wired east yesterday asking the purchase price on the six-meter sloop Clysia and Lanai.

If satisfactory terms can be reached, the sloop selected will be shipped to Newport Harbor immediately and a crew picked to race the yacht against the eastern challengers.

COOLIDGE SHIES AT JARDINE BILL

Unwilling to Give Approval to Any Farm Measure

Secretary of Agriculture's Plan Classed With Rest

Holds to Attitude of Making Farmers Unit on Scheme

BY ROBERT B. ARMSTRONG
"Times" Staff Correspondent
NEW YORK, Nov. 1. (Exclusive)—President Coolidge is not yet willing to have the endorsement, "administration bill" added to any legislative measure of farm relief, even though it is prepared by his own Secretary of Agriculture. He still holds the attitude that full administration responsibility for any farm-relief bill that has characterized his attitude throughout the long struggle over this, the issue which has produced a sectional division in the Republican party.

Questions submitted at the White House today elicited comment on a new farm-relief plan brought forward by Secretary of Agriculture Jardine. Inquiries were made of the President's attitude toward the plan, which was not read the article in which the Secretary set forth his solution of the problem. All that was added was that the President regards Secretary Jardine as a very well-informed man and whatever the Secretary says on the subject of farm relief ought to be given careful consideration.

NAME AS OTHER BILLS
There is no more and no less than the President has said about Charles Nagel of St. Louis, who heads the business men's commission on agriculture which will make public the 29th inst., its report on the farm situation and its recommendations for government action. It is no more and no less than the President has said about other individuals.

LOWDEN HAS IDEAS
The support they give to former Gov. Frank O. Lowden of Illinois, for the Presidential nomination, is based largely upon the contention that Lowden has more definite and constructive ideas regarding possible legislation than President Coolidge.

RAT WAR BEGUN BY JOHN BULL

Week Set Aside for Drive to Exterminate Pests in British Isles

LONDON, Nov. 1. (P)—A war on rats began today and is to be pushed day and night, Sunday included for a solid week.

Municipal and other officials are co-operating with the advice of college professors. National rat week last year netted millions of rats and brought on a dispute, not yet settled, regarding the count of the total. Some enthusiastic experts fixed 8,000,000 as the toll. Others guessed more.

C. L. Claremont, formerly chemist at the rat research laboratory of the Ministry of Agriculture, has estimated the yearly loss to the country through rats at \$70,000,000.

Mr. Lowden has not fathered any particular draft of a farm-relief bill, but has supported the principles of the McNary-Haugen bill, which the President vetoed.

The schism in the ranks of the western advocates of farm relief which has produced the candidacy of Senator Morris of Nebraska, as a rival of Lowden, has much the same foundation. Senator Morris, like Mr. Lowden, gave his support to the McNary-Haugen bill, and thus in the eyes of the westerners he is something affirmative for farm relief.

BUSINESS SECTION OF TOWN DESTROYED
CHICAGO, Nov. 1. (P)—Fire early today destroyed the main business section of Hamilton City with a loss of \$10,000.

FARMER RELIEF BILL DEMANDED

Corn Belt Conference Hits Administration Policy

Candidacy of Lowden Gets Favorable Mention

Economist Says Adjustment of Tariff Would Help

ST. LOUIS, Nov. 1. (P)—Demands for passage of the McNary-Haugen or a similar farm-relief bill, attacks on the administration's agricultural policy and favorable mention of the Presidential candidacy of ex-Gov. Lowden of Illinois were made in addresses here today at the Corn Belt and Southern Conference on Farm Problems.

Senator Capper of Kansas demanded that the farmer be put on a basis of equality with other industry. He said he hopes the next Congress will pass the McNary-Haugen bill or some other measure to assist farmers in getting a fair price. Any legislation enacted, he said, must deal with the problem of farm surplus and must aid the farmer in organizing for marketing purposes.

"I cannot see," he said, "how those who, without question, favor substantial tariff protection for large manufacturing interests, governmentally stabilized rates for the railroads and interest rates fixed by the Federal Reserve System, can consistently oppose the McNary-Haugen plan of farm relief on the ground that it will put the government in the farming business."

JAPAN'S AMBASSADOR REPORTED SELECTED
TOKIO, Nov. 1. (P)—The vernacular newspapers print a report that Katsuji Debuchi, Foreign Vice-Minister and one-time secretary of the Japanese Embassy at Washington, probably will be named as Japanese Ambassador to the United States.

The MAY COMPANY

Now in progress—

International SILK Sale!

How Style-Informed Women Are Buying and Saving!

Two days have passed! Since the announcement of this unique sale of over one-quarter of a million dollars' worth of silks. Few stores in the entire country have ever equaled the busy scene of these days. A splendid tribute to the months of effort spent in assembling silks that are the talk of the city. From France, Italy, Germany, Japan, America . . . metal brocades agleam with color beauty, velvets that a queen might wear. The fashion-wise woman recognized them as materials first in demand, in the newest colorings and patterns. She bought them for new Winter wardrobes . . . for Christmas gift making and giving . . . all at distinct savings.

\$2.50 Heavy Flat Crepe

Black—White—and Rainbow Shades—40 Inch

15,000 yards of this peer among flat crepes. For dresses, lingerie, linings. Daytime and pastel shades, including the greatly-desired black and white. This is a washable quality. 40 inches wide.

Regularly \$2.75! Rich Satin Crepe \$1.55

You'll want at least one crepe satin frock! High-lighted satin finish and crepe back in all daytime and evening shades, and black. Very suitable for Christmas gifts. 40-in.

\$3 Rich Satin Crepe—40-in.

Sixty Smart Shades and Black—40 Inch

Material and trimming in one. For the shiny and dull effect used on the smartest frocks today. Choose from sixty evening shades and daytime colors and black. Besides the regular savings you need no trimming. 40-in.

Reg. \$8.50! Transparent Velvets \$6.95

The weave in most demand this season—and full 40 inches wide. Only by purchasing months ahead could we offer this saving price. All silk back, Rayon pile. Colors only.

\$7.50 Erect-Pile Velvet

Selected Overseas by Our Own Velvet Buyer

Imported—personally selected overseas and shipped direct to this store. Its soft, all silk weave, its rich finish, its fashion rightness proclaim its superb quality. A gorgeous array of day and evening shades, black. 40-in.

Regularly \$1.95! Soft Chiffon Taffeta \$1.35

Solid colors and two-tone effects. One hundred colors for evening and daytime frocks. For Christmas gifts, cushions, drapes, lamp shades, etc. 35-in.

\$1.95 Crepe-de-Chine—40-in.

Pure Silk—Colors, Black, White—Washable

Doubly welcome to the lucky woman who makes her own Christmas gifts. Such beauty! A heavy quality for lingerie, scarfs, women's and children's frocks. Pure silk in wonderful colors, black and white. Washable.

Reg. \$4.95! Novelty Swiss Taffeta \$2.95

Imported! Rich in beauty. In pastel colorings ideal for evening frocks. With rich brocades and embroideries. 36 inches wide.

\$12.50 Import Metal Brocade

From Overseas—Plain and Multi-Colored

Woven and designed by master craftsmen of France. Gorgeous plain and multi-color brocades, ultra-fashionable and in demand. Sheer and heavy weaves intermingled with gold and silver threads. A shawl or blouse length makes a lovely Christmas gift. 36-in.

Regularly \$1.25! Silk & Rayon Twill 85c

Think of the many Christmas gifts you could make of this silk and rayon material; and of what savings! For pajamas, cushions, bedspreads. 40 in.

To Real Estate Owners Who Are Planning to Build or Re-finance

HAS it ever occurred to you that when a property is offered for sale "subject to mortgage," one of the first questions is: "Who holds the loan?"

If the loan happens to be held by a strong, conservative institution, the effect is distinctly favorable, and may prove to be one of the deciding factors in the deal. The sound value of the property is at once recognized, as well as the desirability of such a connection for the renewal of the loan at maturity, if desired.

Choosing the Institution

In arranging their realty loans, many people base their choice of institution on the following outstanding factors which have placed this company in its present position of strength and prestige, namely:

(a) A large volume of capital at all times available for acceptable loans, as evidenced by combined capital, surplus and undivided profits of \$6,750,000, and resources of more than \$55,000,000.

(b) Wide experience, over a long period of years, in placing loans on California real estate—to the amount of many millions of dollars per annum—under a plan designed to provide in each instance the form of loan best adapted to the individual needs of the borrower.

(c) Management composed of prominent bankers and other conspicuously successful executives—leaders in business and civic affairs—who have large personal investments in the Company, thus assuring a thoroughly constructive type of service at all times.

Safeguarding the Borrower

A real estate loan, like an investment, should be beneficial to all parties concerned. No loan, however, is genuinely beneficial to the borrower unless economically sound as to size, interest rate, initial cost, and method of repayment.

Every realty owner who procures a loan from this Company has the satisfaction of knowing that all the terms and conditions

surrounding the loan are fair and equitable and that every phase of the transaction has been properly executed for the safe-guarding of the borrower as well as the lender.

Ready Money and Prompt Action

Ready funds in virtually unlimited amounts are available at all times through this Company for first-lien loans on all classes of real estate, either fully improved or in process of improvement, in these three general divisions:

(1) On Private Homes:

Short-term loans at current rates, and fifteen-year loans at 6%, redeemable in easy semi-annual payments. Building loans may remain undisturbed when structures are completed.

(2) On Flats, Courts, Apartments:

Short-term loans at current rates and ten-year amortized loans at 6% for building or refinancing.

(3) On Store and Office Buildings, Industrial Properties and Large Building Operations:

Long or short-term loans on very advantageous terms.

Advantages of Long-Term Loans

The amortized form of loan on private residences offers these important advantages:

(1) A lower interest rate than the usual short-term loan.

(2) Freedom from the trouble and expense incidental to periodical renewals.

(3) Fifteen years in which to pay off the loan.

(4) A convenient method of systematic saving.

(5) Eventual ownership of the property free and clear of encumbrance.

Realty owners who choose the long-term amortized form of loan which is obtainable through this Company, are following the established and approved business practices of large organizations by providing for the systematic liquidation of their loans.

This type of loan is available either for completed residences or for building operations.

Ideal for Systematic Saving

Many home owners who are trying more or less unsuccessfully to save money, are carrying short-term loans on their properties and paying comparatively high rates of interest plus the costs of periodical renewals.

On the other hand, many people have solved the saving problem by carrying fifteen-year loans (at 6% interest) and paying them off at the rate of 3% semi-annually. On a \$4000 loan, for example, this is equivalent to saving \$20 per month.

Perhaps your present first mortgage could be advantageously replaced with this form of loan.

Personal Conferences Invited

No matter whether you contemplate a long or short-term loan on a private residence, court, flat, apartment, or business property, we shall be glad to recommend a form of loan to meet your individual requirements to the best advantage.

If it is not convenient for you to call at one of our offices, we shall be glad to discuss your requirements by telephone, and, if desired, send a representative to inspect your property. *Simply fill out and mail the Coupon.*

STOCKS ON LOCAL MART IRREGULAR

Bank of Italy Declines; Bancitaly Holds Steady; Oil Trend Uneven

Prices on the Los Angeles Stock Exchange yesterday were irregular and sales were in decreased volume. Bank of Italy sold strong around 308 during the morning, but reacted to 304 1/2 in the afternoon and closed 304 1/2, points net lower at 304. Bancitaly Corporation advanced early to 118, but later reacted to 114 1/2, closing at 115 1/2. Bank of Italy rights closed 1-4 point lower at 5-14. United Bank and Trust Company of San Francisco sold 1 1/2 points to 187 1/2. Los Angeles First National was steady at 95 on a small volume of sales.

LOAN CONCERNS IN NEW ERA

Building Finance Companies Consolidating Under Holding Units; Beesmyer Active in New Group

Following along the well-travelled path of this economic era, the building and loan companies in California have definitely entered the consolidation era. One group, operating as the State Guaranty Company, set the pace by the establishment of a system of branch offices, and now a Southern California group has begun to reach out through a holding company, the United States Guaranty Corporation, and is building up a State-wide chain system.

The reason is found in the changing economic forces dominating home building activities. The building boom throughout the United States led to the formation of a multiplicity of building and loan companies for the purpose of financing the building of homes. California, particularly Southern California, has been a fertile field for the growth of these companies, and until lately, the financing of money has been a relatively simple task. Now, however, the rate of building activity has begun to subside and competition for funds has become more keen. The weaker companies and the consolidation of the stronger.

DIFFERENT PLANS CHOSEN

To meet this condition the building and loan companies, as exemplified in the State Guaranty and the United States Guaranty, both holding companies, have turned to the branch system and the chain system of operation. The latter holding company is a new creation, the work of Gilbert H. Beesmyer and associates of Los Angeles and has only recently arisen as an influence in the building and loan business.

This company has quickly acquired control of companies in Los Angeles, Wilmington, Hollywood, Ventura, Fresno and San Jose, and it is understood that a new company will be organized in Bakersfield before the first of next month. The San Francisco branch of the company has been organized, but the main plan of operation of this group of companies is along the chain system, now employed by the grocery stores, the theaters and some of the banks.

The program of the United States Guaranty, as it is understood, provides for the independent operation of the various units, loaning money in the sections most contiguous to each company's office, and independently managed. The holding company, however, through Mr. Beesmyer and his associates, will exercise a measure of influence on the conduct of the various companies in the chain.

BANK SYSTEM FOLLOWED

Under the branch program, the State Guaranty, through its operating company, the Pacific States Building and Loan, operates on the principle that funds should be shifted to meet the demand in the districts where the operating companies maintain branches. At present, branches are located in San Francisco, Los Angeles, Glendale, Ontario and Monterey. Plans are under way, it is reported, to acquire other cities and to make a further doubling of the assets, now standing around \$5,000,000. A. E. Fitch, former State building commissioner, usually double the assets, now standing around \$5,000,000. A. E. Fitch, former State building commissioner, usually double the assets, now standing around \$5,000,000.

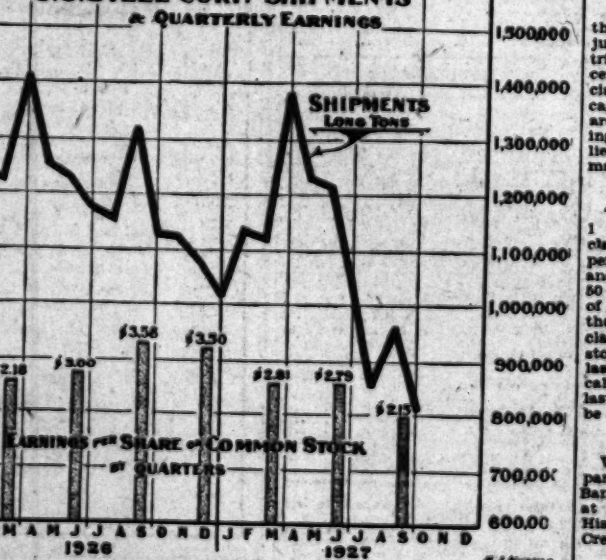

STANDARD OIL PAYS REGULAR QUARTERLY

Directors of the Standard Oil Company of California yesterday declared regular quarterly dividend No. 7 of 6 1/2 cents a share, payable December 15 to stock of record the 15th inst. The company has not paid an extra dividend since the first quarter of the year, when 15 1/2 cents was paid, and the regular rate raised from 50 cents to 62 1/2 cents. In 1926 Standard Oil paid a total of \$5.50, including a 50-cent extra.

OCTOBER SALES OF SEARS, ROEBUCK UP

NEW YORK, Nov. 1. (AP)—October sales of Sears Roebuck & Co. rose to \$20,301,592 from \$20,830,503 in October last year, and for ten months of 1927 to \$228,567,254 from \$214,728,261 in the same period of 1926.

Steel Profits Follow Output Dip

The effect of a slackening in steel buying this year on earnings of the industry's leader, the United States Steel Corporation, is here illustrated. Shipments this year have declined sharply in comparison with 1926, the drop from May having been decidedly sharper in 1927 than in the previous year. Quarterly earnings on the common shares, adjusted to show a comparison on the basis of present capitalization, reveal a steady recession from the peak reached a year ago. The drawing has been made from data supplied by the Alexander Hamilton Institute.

VACUUM RAISES EXTRA PAYMENT

Special Distribution of \$1 a Share Declared by Standard Unit

NEW YORK, Nov. 1. (AP)—Directors of Vacuum Oil Company, one of the Standard Oil group, today declared a special extra dividend of \$1 a share, the usual extra of 50 cents and the regularly quarterly of 50 cents, all payable December 20 to holders of record the 30th inst. This distribution brings the total dividends for 1927 to \$1.50 a share, the same as in 1926.

CALIFORNIA INSURANCE DATA GIVEN

Life Risk Premiums and Losses Paid During 1926 Reach Huge Total

SACRAMENTO, Nov. 1. (Exclusive)—Casualty and life insurance companies doing business in California had a most prosperous year in 1926. Judging from premiums collected and losses paid, a report filed today with the State Department of Insurance by Commissioner Charles R. Detrick, reveals that the industry's total premiums collected in 1926 amounted to \$1,076,059 in premiums and paid losses totaling \$1,076,059. Premiums received on automobile liability insurance totaled \$6,722,016 and losses paid amounted to \$2,748,000.

PUBLISHERS MERGE

Subsidiary Formed to Operate Four Trade Journals

NEW YORK, Nov. 1. (Exclusive)—Incorporation of a subsidiary to publish four long-established national circulation industrial publications just acquired has just been announced by the McGraw-Hill Publishing Company of this city and the A. W. Shaw Company of Chicago. The subsidiary is the McGraw-Hill-Shaw Company and the papers affected are Factory, Industrial Management, Industry Illustrated and Industrial Engineering. Under the announced publishing plan, the first two papers will be combined as Factory and Industrial Management. The third will be consolidated with Industrial Engineering, a McGraw-Hill publication founded in 1882.

The Clearinghouse

Messrs of Spring Street

V. E. Sanford, formerly a partner in the investment banking house of Coss, Howard & Sanford, has affiliated himself with the Los Angeles office of Dean, Witter & Co. It was announced yesterday. Mr. Sanford has been in the investment banking business in this city for the past nine years and was for some time sales manager for Blyth, Witter & Co. He is a member of the board of directors of the Los Angeles Credit Men's Association, in affairs of which he has taken an active interest.

Rent Returns

Herbert Kent, general manager of the Royal Finance Corporation, has just returned from a two-months' trip throughout the eastern financial centers. In his opinion, the financial markets of New York and Chicago, and more especially New York, are considerably interested in mining activities, and it is generally believed that a mining boom is in the making.

Cette Company Pays

The regular quarterly dividend of 1 1/4 per cent on the 7 1/4 per cent class "A" preferred stock and 7 1/4 per cent on the 6 1/4 per cent class "B" preferred stock, and the regular quarterly dividend of 50 cents a share on the 40,000 shares of the 1 1/2 per cent common stock of the Cete Company have been declared and were paid yesterday to stockholders of record October 25, last. The "A" preferred stock, called for redemption October 31, last, will be redeemed today.

Address Students

W. C. Postford of the credit department of the Citizens National Bank addressed the salesmanship class at Lincoln High School last evening. His subject was "Salesmanship and Credit."

House Changes Name

Formal announcement is being made of a change in the name of J. R. Mason & Co., one of the oldest bond houses on the Pacific Coast, to J. R. Mason & Co. The new name, however, will not be used until the company has been in business for a number of years and have been active in handling the company's business.

STATUS OF TRADE SCANNED

New York Reserve Bank Survey Notes Drop in Volume of Wholesale and Gain in Retail Sales

NEW YORK, Nov. 1.—An 8 per cent drop in the volume of wholesale trade recorded for September from a year ago and a 2 per cent gain in the September sales of leading department stores, which is a smaller increase than August showed, is the substance of what the monthly review of the credit and business conditions by the Federal Reserve Bank at New York, published tomorrow, will reveal.

All lines covered by the report showed less favorable comparisons with 1926 sales in September than in August, except jewelry and diamonds, but this index of the whole sale trend is not so disturbing as might at first appear. It is explained in part by the drop in commodity prices. Even when allowance is made for that, however, the Federal Reserve Board tabulations indicate that the flow of wholesale trade has been slowed up.

Machine-tool sales last month fell to about half those of September, 1926. The dress, silk and stationary groups likewise fell sharply. The Federal Reserve authorities reported that "collections in September were \$189,540.45, as compared with \$193,121.78 for September, 1926, an increase of 23 per cent. Sales in September, 1926, totaled \$17,659.65, or a gain of 8 per cent. For the month of September sales were \$189,540.45, as compared with \$193,121.78 for September, 1926, an increase of 23 per cent. Sales in September, 1926, totaled \$17,659.65, or a gain of 8 per cent.

Sales of Local Clay Products Company Gain

Net sales of the Pacific Clay Products Company amounted to \$1,386,000 for the nine months ended September 30, last, it was announced by the company yesterday. This amount compares with \$1,355,179.95 for the corresponding period in 1926, or a gain of 2 per cent.

For the month of September sales were \$148,540.45, as compared with \$143,121.78 for September, 1926, an increase of 3 per cent. Sales in September, 1926, totaled \$143,121.78, or a gain of 3 per cent. For the month of September sales were \$148,540.45, as compared with \$143,121.78 for September, 1926, an increase of 3 per cent.

NET EARNINGS OF FUEL AND IRON UP

COLORADO COMPANY REPORTS GAIN OF \$1,557,205 OVER 1926 PERIOD

Net earnings of the Colorado Fuel and Iron Company and subsidiary companies for the nine months ended September 30, last, after all charges, including provision for depreciation of plants and exhaustion of minerals, amounted to \$2,557,205, as compared with \$1,000,000 for the corresponding period of the preceding year, according to the company's quarterly statement issued yesterday.

For the three months ended September 30, last, net income after similar charges, as against \$80,137.88, as compared with a deficit of \$68,254.95, recorded in the third quarter of last year.

STOCKS MOVE IRREGULARLY

Market Prices Turn Uneven After Early Strength

Rubbers Off as Automobile Tire Values Cut

Steel Common Up to 133 1-8, Closes at 131 1-4

Have You a 5% or 6% or 7% mind?

Here is Another Yard Stick to Measure Investment Value

Percentage return is worth only what it will buy. Dollar income must be translated into real income as represented by the purchasing power of the dollar. Thus, a \$1000 security which paid 6% or \$60 a year in 1920 was equivalent in real income or purchasing power to a security which paid only \$48.20 in 1923. In other words, the security paying 6% in 1920 would buy less than the security which paid 3% in 1923.

STOCKS MOVE IRREGULARLY

Market Prices Turn Uneven After Early Strength

Rubbers Off as Automobile Tire Values Cut

Steel Common Up to 133 1-8, Closes at 131 1-4

NEW YORK, Nov. 1. (AP)—Retreat of selling pressure against a number of sugar, motor, rubber and miscellaneous shares turned the course of prices irregular today after an early period of strength. Liquidation of the sugar and rubber shares was induced by price cuts on F. L. lead sugar and automobile tires. Trading was fairly heavy in volume, but again failed to reach the 2,000,000-share mark.

The early rise was influenced, in part, by reduction in the call money rate from 4 to 3 1/2 per cent. Time money was unchanged. Except for special dividend disbursements by the Brown Shoe, Consolidated Gas of Baltimore and Vacuum Oil companies, the day's business was rather colorless in character.

TRADERS FIZZLED

Speculative optimism is still sharply divided as to the future trend of prices, although it is generally agreed that the trend of business will be the determining factor. Export observers point out that credit facilities are still ample. The decline of about 12 points each in the rail and industrial averages from the high levels of the year have resulted in the elimination of many weakened speculative accounts and impaired others, but the apparent increase in the short interest has also served to strengthen the technical position of the market.

The official statement of the original DuPont investment in United States Steel common was intact had a bullish effect on Steel stock, which closed 1-3/4 points higher at 131 1-4 after having fluctuated between 128 1-8 and 133 1-4. At one time the spread between Steel and General Motors had narrowed down to 1 1/2 points, but later broadened to 2 points when General Motors sold down to 127 1-4, off 1 point net.

A few high-priced specialties reached new 1927 high prices including American Malt and Foundry, Adair's Express and American Railway 1 1/2 per cent. Substantial gains also were recorded by Ches. & Ohio, Illinois Steel Products preferred, Cots. Elevator, Steel Insurance and a few local bank stocks.

POLICE STUMPED BY MAIN STREET

Strive Valiantly, However, to Reform It

So Averse in Communication to Downtowners

Commissioner Schweitzer Loses First Vote

The police department is doing everything within its power to enforce the "anti-ballyhoo" ordinance on Main street, City Prosecutor Oakley and Chief of Police Davis yesterday told the Police Commission, in reply to a communication addressed to that body by the Downtown Business Men's Association, requesting that the police continue its campaign to make Mainstreet "re-usable."

Det. A. Schweitzer, recently appointed commissioner to replace Thomas Fox, was present at yesterday's meeting, the first to be attended by him in an official capacity. His first act was to vote to repeal a pool hall license granted Lyle Thompson of Wilmington. Commissioner Thompson also voted for the repeal of the license but their action was nullified by the other commissioners.

Thompson had been ordered to show cause why his license should be revoked, since it was asserted his pool hall was located within a short distance of a schoolhouse. Investigation disclosed that the pool hall was nearly 500 feet from the school building and was not conducted as a "nuisance."

YELLOWSTONE FOLK TO MEET
George Billings, "hermit of Yellowstone Park," will speak on behalf of the park in October at a reception of the 400 employees of the nation's playground in the White House, 400 West Pico street, on Saturday night. A musical entertainment featuring Jack Coney, tenor, will precede the dancing and reception. The affair is scheduled to begin at 8 o'clock.

TWO END LIVES WITH GUNS

Ill Health Blamed in Deed of Man and Woman; Sanatorium Patient Slashes Wrists

Ill health caused two persons to end their lives with revolver shots and a third to attempt to take her life by slashing her wrists and throat with a razor blade while in a sanatorium. Rather than become a burden to his wife, Percy K. Boyd, 51 years of age, Los Angeles attorney, living at 5024 Royal street, sent a bullet through his heart at his home yesterday. Boyd, who had been suffering for some time, left a note addressed to his wife in which he declared he believed he was taking the best way out. The body was taken to the County Morgue.

WOMAN ENDS LIFE
Infirmitas from which she had suffered for a number of years, caused Mrs. Lillie Heaney, 68, to shoot herself Sunday at her home, 548 South Gertrude street, Redondo Beach, police officers at the beach city reported yesterday. Falling to end her life with a shot through the breast, Mrs. Heaney held the revolver to her temple and pulled the trigger, the police said. The tragedy was discovered by Mrs. Heaney's brother who delivers milk for the Howell Dairy. The Redondo police reported the brother had been in the habit of stopping every morning to see his sister, who lived alone, and when she failed to answer his accustomed knock, entered the house and found her body.

William Phelon Funeral Service to Be Tomorrow
Funeral services for William R. Phelon, pioneer of Glendale, who died Monday at the family residence, 215 East Windsor avenue, will be conducted at 11 a.m. tomorrow at the Glendale Elks' Club, with Swami Chinanda officiating. The services will be in charge of the Elks, of which Mr. Phelon was a member. Mr. Phelon, who was 50 years of age, a Spanish War veteran and member of the Unity Masonic Lodge at Glendale, was born at Bridgton, Ind., but had lived in Southern California forty-six years. His father, the late George W. Phelon, helped

JEWS WILL CELEBRATE ZIONIST DAY

Anniversary of Balfour Decree Giving Palestine Back to Race Falls Today

The Jewish people of Los Angeles and surrounding territory will celebrate the tenth anniversary of the Balfour Declaration. This historic document, which was the first recognition by a modern nation of the Jewish claim to Palestine as a national homeland, made possible the beginning of the Jewish people of the world ever since their dispersion. It was on November 2, 1917, that Arthur J. Balfour, then Foreign Minister of Great Britain, sent his famous letter to Lord Rothschild and the Zionist organization. To commemorate the anniversary Aaron Riche, president of the Los Angeles district of the Zionist organization has arranged this evening's celebration in the main auditorium of Temple Emanuel-EI, corner of Manhattan and Wilshire. This is being carried out in co-operation with the different constituent Zionist organizations, including the Hadassah, Jewish National Fund Council, Keren Hayesod, Mizrachi, Poale Zion, United Palestine Appeal, Junior Hadassah, Daughters of Zion and the Herzl Club.

Rabbi Herman Lissauer of Temple Emanuel-EI will preside and the speakers will include Rabbi Edgar F. Maginn of Temple Beth El, Geoffrey A. Fisher, British Consul at Los Angeles; Dr. E. J. Lickley, City Prosecutor, who will represent Mayor Croyer and the city of Los Angeles; Rabbi Julius A. Leibert of Long Beach and representatives of the State and Federal governments. An exceptional musical program has been prepared by Mrs. Nina Lissauer and Prof. Paul Lissauer. The meeting will open at 8 o'clock and the public is invited.

LAW REVIEW WILL BE PUBLISHED AT SCHOOL
Announcement is made by Dr. Justin Miller, dean of the school of law, University of Southern California, that the initial number of the Southern California Law Review, a publication for both practicing attorneys and law students, will appear about the 10th inst. Future numbers will appear in January, March, May, July and November of each year.

TRIAL FOR EIGHT SUSPECTS

Group Rounded Up by Police in Crime War Bound Over on Variety of Charges

Eight persons arrested within the past week as an aftermath of the police drive to terminate the wave of banditry here were held to answer to the Superior Court yesterday by judges of the three municipal courts handling felony cases, on charges ranging from bank hold-up to automobile theft.

On testimony adduced by Deputy Atty. Gen. Garvey, Municipal Judge McConnell held Ray Yeoman, 28 years of age, and Clair LaFayette Clayton, 26, to trial for the \$16,000 hold-up of the Bank of America, 4182 West Washington street, on the afternoon of August 27, 1926.

SUSPECTS IDENTIFIED
Miss Edna Benton of 9486 Chinaron street, an employee in the bank at the time, testified Yeoman stuck a revolver in her face and ordered her to hold up her hands, while Clayton and another man, yet to be arrested, seized approximately \$16,000 from the safe and money drawer. B. T. Chestnut of 1654 High Point street, another employee of the bank, substantiated Miss Benton's story.

In a signed confession in the County Jail to Detective Lieutenants Seeger, Trainor, O'Connor and Maline, Clayton is asserted to have told of getting only \$625 of the money. The detectives arrested Clayton, Joe Jackson and Jack Allen at Ninth and Figueroa streets on October 25, last, and Yeoman at Sixth and Los Angeles streets a few hours later. Jackson was held to answer to the Superior Court several days ago for robbing a May Company messenger at Ninth and Hill streets on June 23, 1926, while Allen is being held for Chicago authorities.

While Yeoman and Clayton are awaiting trial in the County Jail on charges ranging from bank hold-up to automobile theft, the other six suspects are being held on a variety of charges ranging from bank hold-up to automobile theft.

RAIN DRAIN COSTS LIST APPROVED

Assessments on Wilshire and Amherst Avenue Plan Confirmed by Council

Confirmation of the \$97,598 assessments for the construction of the Wilshire Boulevard and Amherst-avenue storm drain in the Brentwood Heights district was the cause of a prolonged debate before the City Council yesterday. The assessments finally were approved, "in large measure" to the fact that of the 1783 property owners in the assessment district appeals were filed only by 120. Councilman Golden said the city should proceed more slowly in ordering expensive drains built when the people ask only for paving.

"Then you would have the street paved and torn up later for the storm drain," would you?" asked Councilman Webster. "At the request of a majority of the property owners in one section of my district I obtained the abandonment of a storm-drain job. I drove out there during the rain, yesterday and could not get through the street. I am sorry that I had the storm-drain proceedings abandoned."

NEW YORKERS TO GATHER
The New York State Society will meet Thursday evening in the Veterans' Hall, 546 South Hill street. Roll call and awarding of prizes will be features. This will be the opening rally and all New Yorkers are invited.

Wampas to Dine Babe and Gehrig

Babe Ruth and Lou Gehrig will be honored guests of the Wampas meeting this evening, when they will tell "How to Hit Them and for How Much" at the assemblage of the publicity men, which President Ray O'Brien has called for 8 o'clock at the Breakfast Club.

Another feature of the meeting will be the sponsorship by newspaper men, who have formed a committee, for the first time in history, to provide entertainment for the press representatives. Chairman of the committee are Luis Venator of The Times, Dick Hunt of the Examiner, Ray Murray of Exhibitors Herald, and George Shafer of the Chicago Tribune.

Guests of honor will include Bettie Taylor Dempsey, Harry Carr, Sheriff Traeger and the Los Angeles Fire Department Orchestra, which will furnish music. Baby stars for 1928 will be discussed at this meeting.

"Peggy" Gives Wife Divorce

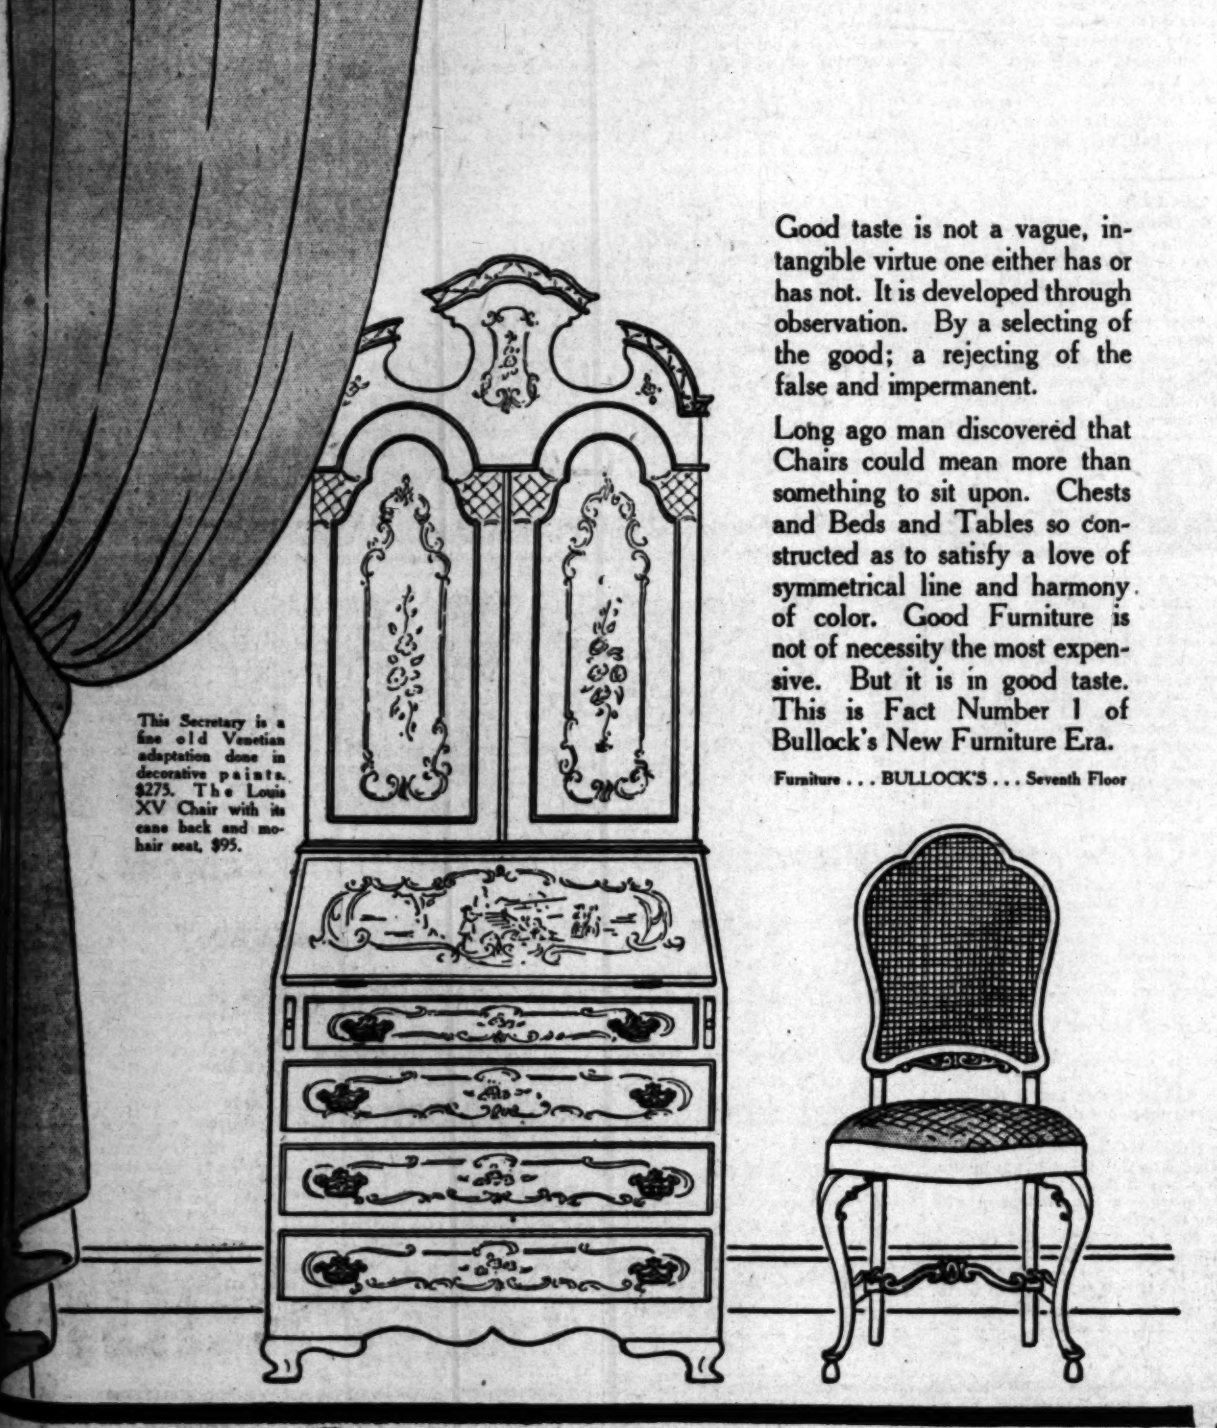

Margot Deckock, known to patrons of Hollywood skating rinks as Margot, exhibition skater, obtained a divorce yesterday from George Deckock, after a brief hearing before Judge Spruiell in Superior Court. "He became infatuated with a girl named Peggy," Mrs. Deckock testified, "so infatuated that he left me to support myself." Deckock, his wife said, works in motion pictures under the name of George Davis.

BULLOCK'S

FACTS that have established BULLOCK'S New Furniture Era

Good taste

Good taste is not a vague, intangible virtue one either has or has not. It is developed through observation. By a selecting of the good; a rejecting of the false and impermanent.

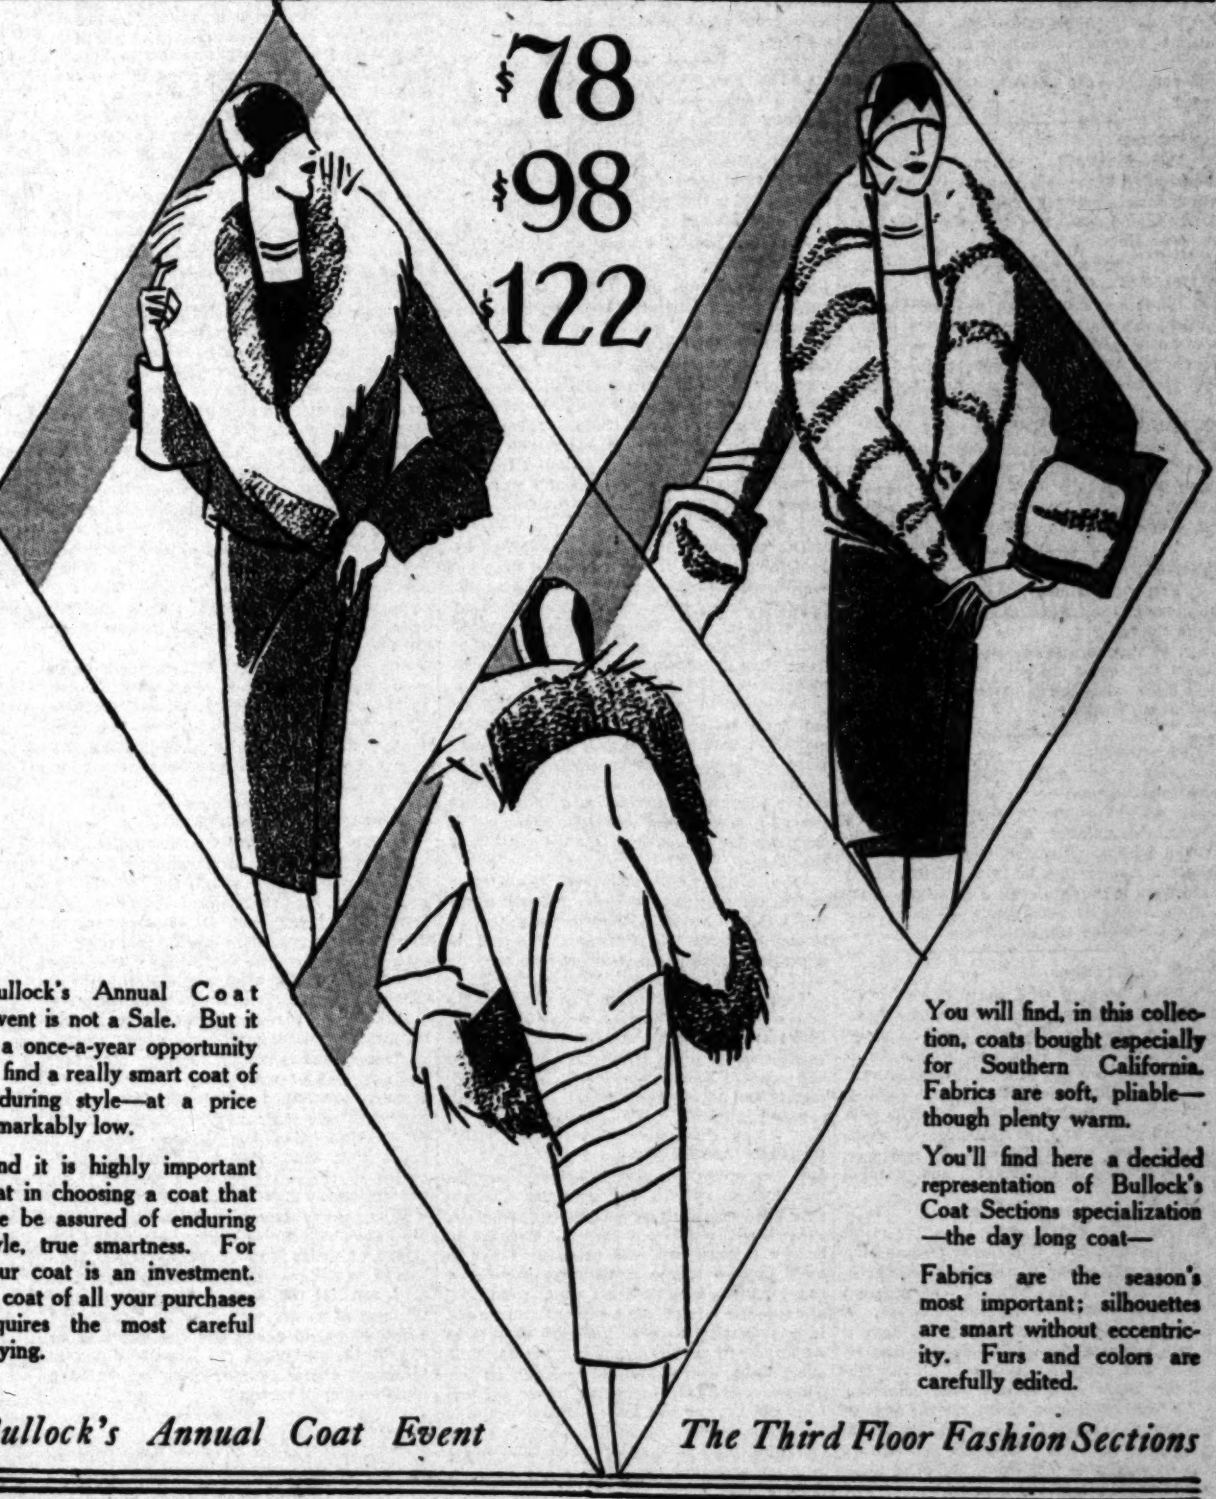

Long ago man discovered that Chairs could mean more than something to sit upon. Chests and Beds and Tables so constructed as to satisfy a love of symmetrical line and harmony of color. Good Furniture is not of necessity the most expensive. But it is in good taste. This is Fact Number 1 of Bullock's New Furniture Era.

Furniture... BULLOCK'S... Seventh Floor

BULLOCK'S

ANNUAL COAT EVENT!

Bullock's Annual Coat Event is not a Sale. But it is a once-a-year opportunity to find a really smart coat of enduring style—at a price remarkably low.

And it is highly important that in choosing a coat that one be assured of enduring style, true smartness. For your coat is an investment. A coat of all your purchases requires the most careful buying.

You will find, in this collection, coats bought especially for Southern California. Fabrics are soft, pliable—though plenty warm.

You'll find here a decided representation of Bullock's Coat Sections specialization—the day long coat—

Fabrics are the season's most important; silhouettes are smart without eccentricity. Furs and colors are carefully edited.

Bullock's Annual Coat Event The Third Floor Fashion Sections

SOCIEY

BY JUANA NEAL LEVY

Invitations have been issued by Mrs. David Baldwin Heyler of 110 North Palm Drive and her sister-in-law, Mrs. Ruth Cameron Hines of 1146 Longwood avenue, for a luncheon tomorrow afternoon at the Ambassador. Fifty guests have been invited.

At Del Monte

Marking back to the days of the early '90s, a brilliant ball is being planned at Hotel del Monte for the 15th inst., when the "Gay Nineties" in all their colorful settings will meet. This costume supper will be the most important of the pre-holiday season at Del Monte, and already tremendous preparations are being made for its success.

The date of the ball coincides with the first annual "Old Guard golf championship," which will revive the old days at historic Del Monte. This tournament is being given by the club and will bring back many famous and familiar faces at the old hotel.

Del Monte Party

Friday evening Mr. and Mrs. Jack Ruess entertained a group of friends to dinner at their home in Muirfield Road, afterward going to the opening of the theater of the Bell Club, enjoying seeing themselves in the films which were taken at the event of the International Ball. Among those included were Miss Harriet Andrews, Miss Edna Louise Ruess, Miss Gladys Crawford, Mr. and Mrs. Clifford Reid, Fred Marlow, William Hellen and Lionel West.

Delightful Affair

A delightful party was given Wednesday at the home of Mr. and Mrs. Edmund R. Bolan, 2111 North Vermont avenue, Los Angeles. In honor of Miss Betty Waters, who is a popular writer at University of California at Los Angeles, the guests numbered forty and were largely members of the Alpha Gamma Delta sorority of which Miss Waters is a member.

The evening was passed in playing bridge and the decorations, favors and appointments carried out the Halloween motif.

Community Chest

At the Community Chest luncheon Monday afternoon at the Biltmore many society matrons and debutantes were noted at special tables. Mrs. Gordon Wallace Wattles presided at a table for a dozen guests and Mrs. E. Avery McCarthy was hostess at the luncheon. Other guests assembled her entire quota of officers. Mrs. Wattles was the first in the residential district to complete her quota of workers.

Mrs. R. B. Hays Chapman was at the dinner-dance table with her husband and her co-workers, all of the younger set. She completed her quota last week, although some of her workers were late in getting started.

Mrs. Albert Crutcher, president of the Children's Hospital and chairman of the advance gifts section with Mrs. Joseph Francis Sartori, Mrs. Hanneke Banning and Mrs. C. Ashley were at the speakers' table. Mrs. Banning said the Assistance League, of which she is president, is organized in the Community Chest, working 100 per cent. The League is aided by the Children's Hospital, which is the largest of the organization. Mrs. Banning said the Assistance League is the largest of the organization. Mrs. Banning said the Assistance League is the largest of the organization.

The delightful Halloween party recently given at the home of Mrs. 1455 Laurel avenue, Hollywood, was marked by many clever features. Distinctiveness and originality of costumes were especially noticeable.

The decorations were all carried out in keeping with the Halloween theme. The curtains were hung with weird figures, while harvest-time suggestions of pumpkins and autumn fields and well-stored granaries were carried out in the setting decorations and in the choice of lights. The center of the stage, which was softly lighted was adorned by a huge skeleton rising from its tomb. A glowing fire brewed the mysterious contents of the cauldron. After the close of the games, the lights were lowered and a very tall witch came forth from behind the scenes and after mixing a proper brew proceeded

Keeping that Schoolgirl Complexion

By VILMA BANKY

Beware of any but a true complexion soap—used this way

KEEPING the skin clean, the pores open, is only half the secret of a good complexion. The most important advice is to use ONLY a true complexion soap over the face.

A soap may be excellent for a thousand purposes, yet be too harsh for the skin. Good complexion soaps are often thus imperiled.

Hence, barely on expert advice, thousands use Palmolive Soap. A soap made solely for ONE purpose—to safeguard good complexions. A beauty soap you know is safe to use. Wash your face gently with Palmolive. Massage its balmy lather of olive and palm oils into the skin.

Rinse off with warm water, then with cold. If your skin is inclined to be naturally dry, apply a little good cold cream in the evening.

"That rule is credited with more beautiful skin than any other known. Use powder, rouge, make-up all you wish. But never let your skin remain over night. Follow one week, then note the difference in your skin. Get Palmolive today. But be sure it is GENUINE Palmolive. Costs but 10c a cake.

Soaps represented as of palm and olive oils without the Palmolive name are usually crude imitations. So take care. The Palmolive-Peet Co., Chicago, U. S. A.

PAIR BACK FROM HONEYMOON

Wedding Social Event of September

Mrs. Maurice Nelson

ONE of the charming brides of the early fall is Mrs. Maurice Nelson, formerly Miss Katherine Bushard, daughter of Mr. and Mrs. J. J. Bushard of 2677 Brighton avenue, the wedding being one of the attractive events of September 29, with Judge Leonard Wilson officiating.

to tell the fortunes of the merry-makers, while an orchestra played appropriate music.

The prize for the prettiest costumes was given to Isabel Pierce and Jane Denen Shepherdess.

Virginia Black, who was disguised as a Spanish girl, received the prize for the most original costume. Miss Riley, who concealed herself as a Chinese girl, kept her incognito last night. Peggy Lou Myers, disguised as a little black cat, received the junior prize for her concealing her identity longest.

Campus News
Members of the graduate school of the University of Southern California held their first social meeting of the year Thursday in the Women's Residence Hall, 666 West Thirty-sixth street, when representatives from universities all over the country were given a cordial welcome by graduates of the Trojan university.

As vice-president of the group, Miss Eleanor Vele presided as hostess and conducted the short business meeting, introducing Dr. Roy A. McQuinn of the political science department, who gave a welcome to the new members of the organization.

An interesting social affair immediately following the California-Trojan football game Saturday was the Bohemian Patio tea given by the women students in the school of architecture at the University of Southern California. The hostesses included Misses Virginia Arnold, Virginia Goodrich, Jean Burley, Dorothy Ruth, Ruth Foster, Helen Low, Ida Morris, Gladys McKee and Mrs. Rufus B. Von Kleinsmidt, Dean and Mrs. Arthur C.

An attractive setting for this tea was provided by the patio garden and the exhibition room of the University of Southern California, which was being shown by the watercolor sketches by Roland Candlight and flowers contributed by the women students of the school of architecture and their friends.

Among the guests of honor were President and Mrs. Rufus B. Von Kleinsmidt, Dean and Mrs. Arthur C.

Escaloped Sweet Potatoes and Apples Please Nancy

By Florence La Gamba

A UNIQUE HEALTH SERVICE
Several years ago when I began writing for publication, the main object I had in mind was to distribute knowledge which had come to me through years of private practice. My readers have probably noticed that I seldom quote any other author, but choose to write my articles from my own personal experience with patients.

The practical information I give I attempt to present in a simple manner so it may be understood by anyone. The language I use is much the same as I would use if you consulted me in my private office, and my only desire is to help you in every way to understand the science of health.

In place of consulting with only a few each day, I am now giving these messages to a million or more in the North American continent. Those of you who have corresponded with me may remember that I can answer so many thousands of letters which I receive, and perhaps you are interested in knowing just how I carry out such an extensive correspondence. The simple fact is that I have succeeded in giving health advice on a quantitative basis. Because of understanding different problems which confront the health seeker, I have prepared special articles on thousands of subjects regarding the cause and cure of different diseases, or when you write to me, in addition to my necessarily short personal reply, I can include thousands of words of health advice, subject in which you are interested. These special treatises on different subjects have been prepared in advance so you receive an answer to your letter within a few days.

Always remember that the correspondents insist on asking me to diagnose their disorders which, of course, I cannot do by correspondence. No attempt is made in this department to do the work which is constitutionally the province of the physician. If you have been properly diagnosed and do know the name of the disorder from which you are suffering, I am always glad to send you my opinion about the best methods of treatment.

Always remember that the advice I send you is only my own opinion based upon my own study and my experience with thousands of patients in a lifetime of practice. Do not expect me to criticize the opinions of other doctors, or to attack any method of treatment which I do not believe in advocating. I am too busy giving you my advice to use the space

of this week and will be in the form of a buffet supper and bridge party.

Guests of honor at the affair, to which the juniors are privileged to bring their friends, will be Mrs. Patrick Campbell, adviser to Junior Bell members, and her committee, consisting of Mrs. Helen DeLeon, Jack, Mrs. Leafe Sloan-Orcutt, Mrs. Tom F. Robertson and Mrs. Lombard Joseph.

The affair will be a benefit party, and proceeds will be devoted to the fund the juniors are raising to assist the club and the fund devoted to their benefit work.

The juniors are specially concerned with the welfare and during the past year they cared for almost a dozen children. This year, with the help of the juniors, they are planning to raise funds to increase this number to twenty. The juniors are also planning to raise funds to increase this number to twenty. The juniors are also planning to raise funds to increase this number to twenty.

Saturday night's party arrangements are in the hands of Mrs. Frank Wilkinson, assistant chairman of the benefit committee. She will be assisted by Miss Dorothy Haldeman, Mrs. J. Ellsworth, Mrs. Fred Drake, Turner and Mrs. Charles Hubert Toll Jr., Miss Alice Sarah Nelson is in charge of tickets.

Junior Auxiliary Dance
Giving the first dance Saturday, the Junior Auxiliary of Hollywood will begin its season for this year under the leadership of Jean Bellis.

It is expected that the affair will be charming and enjoyable in both its decorations and in the entertainment. The affair will be a benefit party, and proceeds will be devoted to the fund the juniors are raising to assist the club and the fund devoted to their benefit work.

HEALTH AND BEAUTY ADVICE

By Dr. Frank McCoy
author of "The Four Hour Diet"

Dr. McCoy will answer personal questions in health and diet, addressed to him, care of The Los Angeles Times, health column, addressed to him, care of The Los Angeles Times.

In this column or in my correspondence with you in critiquing or commenting the advice of other physicians. You can help me a good deal and also help yourself and the cause of health in question in which I am interested. If you will make your letters short and to the point, trying to keep them to only 100 or 200 words.

Many who desire a personal reply will find it difficult to write a letter to me. I am not a doctor, but a health adviser. I am not a doctor, but a health adviser. I am not a doctor, but a health adviser.

QUESTIONS AND ANSWERS
Question: "I am a mother. What should I eat or drink so that I may nurse my baby and have plenty of milk?"

Answer: Keep on a well-balanced diet before your baby is born and then afterward if your milk is not sufficient, increase the amount of liquids you use, or drink milk part of the day, both for its nourishing qualities and because of the additional liquid.

Q: "Mrs. M. C. R. writes: 'You always mention boiling vegetables. I always understood that boiling takes out all the nourishment, whereas steaming keeps the nourishment in them. Please give me your opinion.'"

A: Steaming is better than boiling, as they are really cooked in their own juices, and very little of the organic salts and flavoring is lost. Q: "I have a dull pain in the lower part of my back, feels like the end of spine. What causes this?"

A: You should first have your spine examined to see if there is any bone disease, such as tuberculosis or arthritis. Then, if you will write me again I will be glad to give you my opinion about the best method of treatment.

Wright-Act Victim Taught Against Pair on Trial

Payments to Avert Prosecution, He Says

"Politicians" Face Jury False Pretense Charge

Testimony that he paid Joseph (Jack) Kelly and Dave L. (Jack) Kelly, two politicians, \$50 each, a liquor charge pending against but that they failed and left to plead guilty was recorded in principal Judge Pope's court yesterday.

A jury is hearing the evidence in Kelly and Lockard, charged with making money by false pretenses, the trial will be resumed tomorrow at 10 a.m.

He testified further that he had been arrested for violating the Wright Act. He was told by Kelly and Lockard that they would pay him \$50 each to plead guilty. He said he went to the office and after some conversation Kelly took him to the Hall and introduced him to several "politicians." Kelly, saying, according to testimony, that "the honor of the judge and could be on the right."

Two checks, one for \$50 each, were given Kelly and Lockard for \$50 each to be paid to the judge. Kelly and Lockard were introduced to the judge and the trial was transferred to Judge Pope.

The trial was scheduled to be held before Judge Turner, but was postponed to today. Kelly and Lockard were introduced to the judge and the trial was transferred to Judge Pope.

FIXERS' FAILED, CLIENT STATES

Wright-Act Victim Testifies Against Pair on Trial

Payments to Avert Penalty Wasted, He Says

"Politicians" Face Jury on False Pretense Charge

Testimony that he paid John A. (Jack) Kelly and Dave Lockard, alleged politicians, \$50 each to fix a house charge pending against him, but that they failed and left him to plead guilty was recorded in Municipal Judge Pope's court yesterday by John O. Kline, 6000 Bass avenue, a jury is hearing the evidence against Kelly and Lockard, charged with obtaining money by false pretenses, and the trial will be resumed today at 10 a.m.

Kline testified further that after he had been arrested for violation of the Wright Act he was told by a friend to see Kelly and have the case fixed. He said he went to Kelly's office and after some conversation Kelly took him to the Hall of Justice and introduced him "to several people," Kelly saying, according to the testimony, that he knew all the judges and could fix the case all right.

Two checks, one for \$50 asserted to have been given Kelly, and another for \$50 said to be part payment to Lockard, were introduced in evidence, and the direct examination of Kline by Chief Trial Deputy Prosecutor Richard and Deputy Prosecutor Higgins.

The trial was scheduled to be continued before Judge Turney, who was from a sickbed to attend court and grant the motion of the defense for a change of venue on the grounds that the court is prejudiced by the original investigation of the matter, and Judge Turney's court and the trial was transferred to Judge Pope.

FRIENDS FELICITATE JURIST MRS. STAGG

Celebrate His Promotion to Bench

Explanation of Asserted Fraud Plot in Film Girl's Suicide May Be Asked

Held to answer on a charge of attempting to use the mails to defraud in connection with the suicide of Helen St. Clair Evans, Hollywood film girl, Mrs. Margaret Powell Stagg today is expected to be taken before the Federal grand jury to explain her side of what the government agents assert was a plot to defraud the parents of the dead girl.

Mrs. Stagg told United States Commissioner Fred that she had a "desire to become a fiction writer" and thought that by writing such a letter to T. Danahy, New York City, father of the Evans girl, she would "obtain atmosphere."

According to postoffice inspectors, Mrs. Stagg wrote a letter to Mr. Danahy asking that he give her money for her fare to New York and that in exchange she would reveal to him circumstances surrounding the death of his daughter. Mrs. Stagg also is said to have claimed she had heard the "verbal will" made by the girl shortly before her death.

After listening to Mrs. Stagg's explanation for her conduct, Commissioner Fred ordered her held to answer, allowing her to remain at liberty on \$1000 bond posted at the time of her arrest. The grand jury is expected to investigate the case today.

GAS BLAST BURNS FILM COMEDIAN

Ford Sterling Scorched in Face by Explosion That Almost Costs Him Life

An explosion of a gas furnace in the basement of his home in Hollywood almost cost the life of Ford Sterling, film comedian, it was learned yesterday. The accident occurred Monday night, suffering from first-degree burns of the face, a 24-hour burn of a less serious degree on his hands and arms.

It is believed by the Paramount-Famous-Lasky studio, that no scars will result from Sterling's burns.

According to information obtained last night, Sterling went to the basement to light a gas furnace. He got down his hands and arms, and he lit a match to start the furnace.

When he placed the match to the burners there was a gas explosion, and a sheet of flame struck him. He was thrown back and the two physicians summoned immediately. A faulty pipe connection is believed to have been responsible for the leakage.

Last night it was said that Sterling will be laid up for two or three weeks.

GANG KILLS DRUG-STORE PROPRIETOR

Bandits Demand Cash and Strike Victim Down When He Offers Resistance

A. R. Miles, 48 years of age, proprietor of a drug store at 2329 West Jefferson street, was slain by bandits when he resisted their attempt to rob him in his place of business late last night. Three white men, leaving their automobile outside with the motor running, entered the place when Miles was alone and demanded the contents of his cash register. Miles refused to give up the cash register, and after rifling the cash register, escaped in their machine.

A. H. Miles, father of the drug-gist, becoming alarmed when his son failed to return to their home, 3450 Fourth avenue, at his usual time, went to the store and found the younger Miles lying on the floor surrounded by blood. He summoned Detective Lieutenants Brown and Becker and an ambulance, but the son died on the way to the Georgia-street Receiving Hospital.

ASSERTED VICE KING'S TRIAL SET

Marco and Bruno to Face Federal Jury on Liquor Charge 15th Inst.

Albert Marco, asserted vice king of Los Angeles, and Antonio Bruno, said to have been his companion in the operation of an asserted bootlegging dive at 1505 South Spring street, will go on trial in United States District Court the 15th inst., on a charge of violating the Volstead act. United States District Judge McCormick yesterday set the trial date.

Marco and Bruno have previous convictions against them for violation of the prohibition laws, according to Asst. U. S. Atty. O'Hanessian, who filed such information with the court. As a result of prior conviction, the defendants are liable to jail sentence if convicted a second time.

According to Attorney O'Hanessian, Marco and Bruno were arrested in a police raid in 1925, the former being fined \$750 and the latter being sentenced to ten months in County Jail.

JOHN HESTERSON CLARK
Miss Hester, daughter of 1838 Oak street, is one of the twenty-five Ohio Wesleyan University students who have been elected to membership in the Electronic Club, campus dramatic organization. She is a senior. The club now is rehearsing "The Cat and the Canary," which will be presented December 9 and 10.

ANGELUS TEMPLE BLOCKED

Protest of Pasadena Moves Authorities to Revoke Permit for Branch Tabernacle

For the second time within six months Angelus Temple and the Four Square Gospel failed yesterday in their efforts to erect a church in Pasadena when a building permit previously issued was rescinded by the Pasadena City Directors.

Faced by a storm of protest from property owners led by Roy L. Snavely, the Directors quickly canceled the permit and announced that a special hearing on the matter will be called for next Tuesday when both sides can present their cases.

PASTOR DENIES CONNECTION
Alma Temple McPherson and her advisers here declare they know nothing of the application for a permit nor its subsequent issuance and cancellation, and had no interest in the affair. The permit called for construction of a church to cost \$30,000 at the corner of South Craig avenue and Blanche street.

The property is owned by R. P. Clark, 2125 South Craig avenue, and it was Clark's name which appeared on the application for the permit. However, according to one of the directors, Clark applied for the permit as the religious of the Pasadena

MOROSCO'S "MARY'S LAMB" CAST

Georgie Grandee and Doris McMann in Youthful Roles; Antonio Moreno Male Lead in Kane Picture; Famous German Director With Fox

BY GRACE KINGSLEY

Having settled in a house in Hollywood, and otherwise proved that he doesn't mean to leave us again, Oliver Morosco is busy preparing for his first production to be made in Los Angeles in five years. It is the musical comedy, "Mary's Little Lamb," which is scheduled to open at the Biltmore late this month, and for it Morosco is gathering some splendid talent.

Stanislavski-Fort-Porch, world-famed dancer, arrived here on Sunday. Not only will he personally appear in the production of "Mary's Little Lamb," but he will have charge of all the terpsichorean features of the musical comedy.

"Every chorus girl will be a specialty dancer," said Morosco yesterday, following a long session at the Biltmore Theater, where, with cost and sleeves rolled up, he was interviewing players and putting them through their paces.

"We shall also have a splendid male chorus to which the East Side Sings, famous grand-opera singer, has arrived in Los Angeles, and is superlative in a selection of songs which will himself play one of the big roles."

The girl is 17-year-old Doris McMann, whom Morosco considers a great find. She was born, trained and educated in Los Angeles, and is a blonde beauty, has been dancing since she was 4 years of age, and is considered now, at the early age of 17, thoroughly accomplished. She has a nicely trained voice. Heretofore she has been a great deal of time studying for her chosen profession, but has had a successful season on the Orpheum circuit. She will have the role which Edith Tuller played in the original comedy, which, too, was produced by Morosco.

"Miss McMann is a great find," said Morosco, who, you will remember, discovered Laurette Taylor, Douglas MacLean, Richard Dix, Warner Baxter, David Butler, Charlotte Greenwood, and half a dozen others. She is bubbling with personality and cannot fail to make a hit in Los Angeles."

"Two more players for principal roles have yet to be chosen, and it is promised these will be selected today, which rehearsals will at once go forward under personal direction of Mr. Morosco."

Antonio Moreno with Kane
That very splendid actor, Antonio Moreno, has been chosen to play the part of Kane in his production of "The Whirlwind," which is to be filmed for First National.

The role is one especially suited to his personality and talents, it is said, being a Latin character. Joseph C. Boyle will direct under way down East.

Estelle Taylor, it is mentioned for the part, although it is likely that her work in "Ramona" will prevent her accepting.

Moreno was one of the mainstays and props of Vitaphone a few seasons ago, when he starred in several pictures for the organization. Since then he has given a splendid account of himself in a number of Metro-Goldwyn-Mayer pictures, as well as in "Mare Nostrum," made for Metro by Rex Ingram. He is considered by many critics as the greatest actor of Latin roles on the screen.

It appears that as a matter of fact there are two important male parts in the picture. The other one was filled yesterday by the signing of Lowell Sherman, famous on both stage and screen, who first created a cinema sensation in D. W. Griffith's "Way Down East."

Out of the bery of pretty dancers recruited to play the chorus girls in Los Angeles' new play, "The Big City," three are already playing principal roles, following within a few days after their debut at the studio.

Dolores Brinkman, who danced in the ensemble, is now playing one of the important parts in the comedy picture, and Betty Ryan, who is the dancer, has been assigned a role equally important. Della Peterson, the third of the dancers, has been

cast by Sam Wood in Norma Shearer's new starring vehicle as yet untitled.

The girls were recruited by Tod Browning, directing the Chaney picture, to play dancers in a New York cabaret. Browning enlisted Margaret Burt, former Follies dancer, to train the ballet, the instructor himself designating the costumes.

The girls' appearance on the set created a sensation, and practically everyone in the studio was in the audience while the dancing scenes were being filmed. The casting of Fox at once took stock of the dancers. Screen tests followed, and plans were made for roles for the youngsters. Three are already well on their way to fame as a result.

Ludwig Berger Arrives
The noted German director, Ludwig Berger, who was signed by Winfield Sheehan recently during the theatrical comedy drama. As a director, he will at once start work at the Fox studio, getting ready for his next production.

L. O. Moran is signed for his first picture, which will be an adaptation of a Hungarian play and will be made by Fox.

Edna Murphy Will Warmer
Helene Costello being taken ill suddenly, Edna Murphy was yesterday picked from a number of candidates for the role of Blanche in his latest picture, "The Atlantic," to be made by Warner Brothers.

Miss Murphy is going to be a star in his starting in a number of pictures. However, this won't be her first experience, as she has been up in places several times.

Nancy Carroll Chosen
If you have been wondering who would play the role of Blanche in "The Irish Rose," you need wonder no longer. Nancy Carroll, who has charmed us so long on the stage, is the Louis MacLean-Lillian Albers production, notably in "Chicago," has been engaged for the part in the Paramount picture.

It was a chance glance out of a window, I am told, which brought her to the attention of Miss Carroll. Miss Nichols was studying some of the types in the front of the studio when she spotted Miss Carroll, asked her if she wanted a job and made several feet of film tests.

Florida Scuttles Miss Rivals
The story of the historic Florida Scuttles girls, in which every one of the six dancing girls later became a noted stage star, and which launched the careers of Nan Patterson, Evelyn Nesbit and others, bids fair to be re-enacted in modern times at a recent studio.

Out of the bery of pretty dancers recruited to play the chorus girls in Los Angeles' new play, "The Big City," three are already playing principal roles, following within a few days after their debut at the studio.

Dolores Brinkman, who danced in the ensemble, is now playing one of the important parts in the comedy picture, and Betty Ryan, who is the dancer, has been assigned a role equally important. Della Peterson, the third of the dancers, has been

OWNERSHIP
THE first prehistoric man to become a manufacturer owned his own tools—rough instruments of flint made with his own hands.
As industry developed and crude tools gave way to more costly and more complex machinery, men separated themselves into groups—owners of tools and users of tools. Out of this separation grew industrial problems, and in their solution, the trend has been toward a wider ownership of the tools of industry by those who use them.
Industry's most useful tool in America, the telephone, is owned by the public. Bell System securities are distributed among 800,000 investors. The stock of the American Telephone and Telegraph Company is held by more than 420,000 owners, and no individual owns as much as 1%. In this nationwide ownership of nationwide facilities, the tool owner and tool user are identical.

**NEW YEAR-MARK
IN CITRUS CROP****Redlands District Ships More
Than 6000 Cars****Sugar Season at Oxnard Ends
With Highest Record****Payments for Beets Will be
Made in Near Future**

REDLANDS, Nov. 1.—The 1926-27 citrus season closed last night with Redlands shipping more than 6000 cars of navel and Valencia oranges. These oranges, some 2,500,000 boxes sold in the East for a total of something over \$12,000,000.

They brought a flood of gold of about \$1,000,000 into the city of Redlands. They netted the orange growers of the city about \$1,000,000, which is by far the best record Redlands has ever had.

There were over 6000 cars of oranges shipped from the district. In these cars there were more than 400 boxes on the average. The boxes averaged probably more than sixteen dozen to the box. And it is said that 60 cents per dozen paid by eastern people might be an average price.

Wholesalers paid \$12,000,000 for the fruit about \$100,000,000 came out of Redlands oranges during the season which has just come to a close.

Wholesalers paid \$12,000,000 for the fruit about \$100,000,000 came out of Redlands oranges during the season which has just come to a close.

COURTHOUSE BIDS ASKED**Old San Bernardino County Building to be Offered
For Sale on December 5**

SAN BERNARDINO, Nov. 1.—Bids for the site of the old Courthouse will be opened by the Board of Supervisors on December 5 it was determined today when W. M. Patch, well-known real estate broker of Redlands, informed the county officials that he desired an opportunity to bid on the property.

Mr. Patch told the Supervisors that he expected to submit a bid on behalf of outside capital. He declined to indicate the identity of his client. He said, however, that the interests he represents have capital of approximately \$250,000.

The Supervisors expect bids ranging from \$250,000 to \$750,000, and perhaps more. It is doubtful that they would sell the property for less than \$250,000.

Morgan Adams, Los Angeles banker, has indicated to the Supervisors that he will bid \$250,000 for the property. There have been reports that the Bank of Italy might bid for the corner lot.

The light lemon crop amounted to about 1750 cars. Approximately 300 cars of grapefruit and 500 cars of miscellaneous variety oranges and tangerines made up the balance of the crop.

POMONA NEAR RECORD
POMONA, Nov. 1.—Shipping 1,600-2,000 boxes of citrus fruit during the season 1926-27, which brought returns to valley growers in excess of \$600,000, the annual report read before the stockholders' meeting of the San Antonio Fruit Exchange by Secretary-Manager R. L. Knox, showed that the past period was the third highest in the thirty-four years of the existence of the exchange. All figures were reached in the season 1924-25, when a total of \$600,000 was received for that year's pack.

FEARS FOR CUPID EXPRESSED**Orange County Clerk Announces Wedding License Business
Cut Nearly in Two as Result of New Law
Requiring Three-Day Notice**

SANTA ANA, Nov. 1.—The three-day marriage license law is driving Dan Cupid out of California, and Yuma, Ariz., is supplanting Santa Ana as the Oregina Green of the Southern States.

While County Clerk J. M. Backs, at Santa Ana is watching his volume of matrimonial business gradually dwindle away to about half of what it was a year ago, the County Clerk at Yuma is being smothered under an avalanche of California marriage license applications.

Backs' gloomiest information yesterday in a conference with County Clerk Lampton of Los Angeles, was that the new law was doing its worst.

Where Los Angeles couples formerly turned their steps toward Santa Ana to avoid wedding publicity, they now are flocking to the County Clerk's office, where they can be obtained, Lampton stated. The Yuma License Bureau, it has been ascertained, is doing "land-office" business.

Backs was able to confirm this statement by comparing the statistics of his office for the month just ended, when 368 marriage licenses were issued, with October, 1926, which had 418 licenses.

Since last June, which broke all records with a total of more than 600, the license applications have gradually dwindled. The new law went into effect July 29. August saw a slump. September was worse, the total dropping to 313. Then came October with further losses.

Backs wondered where they were going. Yesterday he found out. Lampton was authority for the statement that the marital migration to Arizona is not only nullifying the effect of the three-day law in its application to youthful couples, whose hasty marriages it was designed to stop, but that it also includes a large number of couples who are applying for their license and getting it.

Backs was able to confirm this statement by comparing the statistics of his office for the month just ended, when 368 marriage licenses were issued, with October, 1926, which had 418 licenses.

FORMER LIBRARIAN DIES**Miss Nellie May Russ of Pasadena Succumbs After
Nearly Year of Illness**

PASADENA, Nov. 1.—Miss Nellie May Russ, who was head librarian of the Pasadena Public Library for twenty-one years, died last night at her home, 1114 Worcester avenue, after a ten-month illness, brought on by pneumonia and ensuing complications.

Miss Russ joined the local library staff in 1898, when it consisted of but three members. When she resigned from office in 1919, the force had been increased to twenty-two, with corresponding development in the library itself and the part it played in the life of the city.

Miss Russ was probably responsible in a greater degree than any other person for the growth of the library to its present status, but on account of her long illness she had never seen the new library building, which was completed last spring as the first unit of the new Civic Center. Miss Russ was a native of California, 34 years of age and five feet ten inches tall.

A funeral service will be conducted Thursday at 11 a. m. at the chapel of lives and Warren, Dr. James Lehnman, officiating. Burial will take place at Forest Lawn cemetery.

Miss Russ leaves her mother, Mrs. J. Austin Russ, a resident of Los Angeles, and a brother, Albert A. Russ of Fullerton.

Miss Russ was probably responsible in a greater degree than any other person for the growth of the library to its present status, but on account of her long illness she had never seen the new library building, which was completed last spring as the first unit of the new Civic Center.

**VOTE ON WATER
DISTRICT ASKED****Ventura County Acts to
Available Supply**

VENTURA, Nov. 1.—Steps toward the organization of the Santa Clara water conservation district under a new law passed by the last Legislature, are being hastened today morning at the meeting of the district Supervisors, when the adopted a resolution fixing the boundaries of the district and authorizing a special election at which the owners will determine whether the project should go through the district.

Included in the boundaries of the proposed district are nearly 100,000 acres of valuable fertile lands, mostly the Santa Clara River valley, Oxnard, Santa Paula and Fillmore, which are within the Santa Clara River watershed.

Seven directors at large are to be elected to superintend the development of the Santa Clara basin, the main purpose of which is to effect an organization which can effectively carry on the project to represent them in the water and at the same time construct our check dams over a period of years which will divert the water from the district to such uses as the landowner and one of the main hind the huge project, told the assembly of the purpose of the district and the benefits which the owners would derive from such a project.

The trust goes to Europe, where the water rights of some of the owners are being secured. The water rights of some of the owners are being secured. The water rights of some of the owners are being secured.

VOTE ON WATER DISTRICT ASKED

Ventura County Acts to Save Available Supply
Resolution on Boundaries Adopted by Board
Includes 100,000 Acres of Tillable Holdings

VENTURA, Nov. 1.—Steps toward the organization of the Santa Clara water conservation district under a law passed by the last State Legislature were formally taken this morning at the meeting of the county Supervisors, when the board adopted a resolution fixing the boundaries of the district and authorizing a special election at which landowners will determine whether the project should go through.

Included in the boundaries of the proposed district are nearly 100,000 acres of valuable fertile Ventura county land. Three incorporated towns, Oxnard, Santa Paula and Fillmore, which are within its limits, have been excluded from the district.

Several directors at large are to be elected to supervise the program of development of the Santa Clara River basin, the main purpose of which is to effect an equalization of water supply to the district to such an extent that the water supply will be available at all times to be utilized for irrigation and other purposes.

G. C. Thomas of Santa Paula, landowner and one of the men behind the huge project, said the board of the purposes of the district and the benefits which the county would derive from such a project.

"The water users and land owners of this great basin," he said, "have long felt a need of some organization to represent them in protecting their water rights from outside interests and to secure the water over the underground gravel beds, particularly during a dry season, to prevent a water famine."

Assemblyman W. H. Duval said at the meeting that this project is falling in line with the proposition for a State water survey of Ventura county with the idea in mind of at some time in the future taking steps to divert the county's water supply by the organization of water-conservation districts over the tillable area of the county.

FILIPINO FEDERATION WILL HEAR VICE-CHIEF

"FOUNDATIONS OF ORDER" TO BE TOPIC OF OFFICIAL AT MEET TODAY

Andres A. Darily, vice-president of the Filipino Federation of America, will deliver the principal address at the pre-convention session today on "Foundations of the Filipino Federation" at headquarters in the Stock Building.

Yesterday Eugenio Y. Mabalo, manager of the Salinas branch of the federation, was the speaker, having as his topic the growth of his section of the organization. The delegates will have an opportunity tomorrow to hear the secretary of the order, Fabian Bangs, tell of the remarkable growth of the federation.

From all the 144 branches of the country delegates have been called together by President Moncada to plan the national convention to be held at the Philharmonic Auditorium December 23 to 26, which is expected to bring 6000 Filipinos to Los Angeles.

DANCE WILL FOLLOW LOYOLA BALL GAME

Following the football game between Loyola and Gonzaga colleges Saturday afternoon on the Loyola field, a home-coming dance will be held at the Ambassador. Thomas E. McGovern, chairman of the dance, said elaborate arrangements have been made and a large turnout is expected from both colleges. Loyola last week held the Arizona State eleven to a scoreless tie at Flagstaff. Gonzaga will travel to Denver on the 12th inst., to meet St. Regis College.

THIRD ROUND IN DIVORCE OPENS

Wife Not Present as Robert F. Lakenan, Motion Picture Gag Man and Son of Millionaire, Presses Charge of Infidelity in Four-Year Fight

The third round in the legal battle of Lakenan versus Lakenan opened yesterday in Superior Court when Robert F. Lakenan, Jr., motion picture "gag" man and son of a reputed Kansas City millionaire, appeared before Judge Archibald seeking a divorce from his attractive wife, Leota Crider Lakenan.

TWO TIMES TWO EQUALS FIFTY

Bond Salesman Who Contracted Matrimony Bonds Twice Each With Wives Nos. 1 and 2 Discovers in Court That Latter Has Genius as Collector

Joseph McElroy, a bond salesman of Pasadena, who married his second wife twice and his first wife the same number of times, was directed at a hearing yesterday in Superior Court Montgomery's court on a show cause order to pay \$50 a month alimony to Mrs. Anne McElroy, wife No. 2, for the support of their minor child.

High Record Set in Roll Call by Guard Company

With the One Hundred and Sixtieth Infantry, California National Guard, attending all other units in the State in attendance records during the past month, the service company of the regiment received a rating of 97.58 per cent, the highest of any organization in the State, according to statistics just announced by the Adjutant-General of California. The service company is commanded by Capt. Harold E. Haggard.

WHISKERS WIN DEGREE OF 'DOCTOR'

Defendant in Poison Case Declares Gossamer Basis of Title Used by Friends

How a dignified gossamer will lead to the title of doctor more quickly than a diploma was explained in Superior Judge Dora's court yesterday when Dr. Nelson Smith, on trial charged with attempting to poison Peter Gossamer, Glendale inventor, testified that he attributed the appellation to his friend, Dr. Gossamer, who was a doctor because he was a doctor.

I. Miller Salon for Hollywood

Wearers of I. Miller shoes living in Hollywood will be able to purchase their footwear near home on and after tomorrow, as a branch salon will be open there at 6818 Hollywood Boulevard. The new quarters were given to Mrs. Gossamer for indulgence with appointments in keeping with the most outstanding pieces of furniture being a genuine antique table of tulip wood with touches of gilt.

VETERANS-AID BALL DRIVE DISCONTINUED

Campaigning for the sale of tickets for the entertainment and ball to be given Thanksgiving night at the Ambassador Auditorium to raise funds for the Disabled Veterans of America was discontinued yesterday after the Community Chest drive. This announcement was made by John R. Quinn, president of the veterans' organization, and national commander of the American Legion. Quinn also is a divisional captain in the Chest campaign.

PASSPORTS ISSUED HERE BREAK RECORD

All records for the number of passports issued at Los Angeles were broken with the three-month period ending October 31, according to L. J. Cordis, passport inspector. For the months of August, September and October, a total of 781 passports were issued here. This exceeds the previous high record by approximately 20 per cent, according to Inspector Cordis.

Neilan Named in Income Tax Lien

Marshall Neilan, motion-picture director, was named yesterday in an income-tax lien for \$4808.48 filed in United States District Court by Galen H. Welch, Collector of Internal Revenue. Other liens filed were: Charles L. Lewis, \$1467.64 on 1926 income; L. Roy Slater, \$84.09 for 1926; and Joseph E. Pinkston, \$8.09 for 1926.

VENICE CAR-FARE CUT ROW MUST GO TO STATE

If Venice wants lower Pacific Electric Railway rates the City Council must take the matter up with the State Railroad Commission, the Board of Public Utilities and Transportation decided yesterday after declaring it has no authority to fix rates. Venice is asking for "urban" rates inasmuch as it now is within Los Angeles city limits. At present "interurban" rates are charged.

COUNCIL GETS INVITATION

The League of Nations Municipalities has invited City Council to send representatives to the convention of the California Municipal Traffic League in this city at the Alexandria on the 10th, 11th and 12th inst.

The Clarion Call of the Clarinet
tells you clearly which make of Power Unit will go farthest in making your set give the kind of performance you like to talk about.
Listen in when there's a well-played clarinet solo on the air. Then, leaving your set exactly as it was, plug in Willard Radio Power.

HEAR the Difference!

Compare the fullness of the notes, the clearness of tone. Make any test you like.

The WILLARD "A-B" Power Unit

The Willard "A-B" Power Unit operates from your lamp socket. Gives steady "A" Power and the kind of "B" Power you need for steady reception. Delivers 180 volts at 40 milli-amperes. Turns itself on when you tune in, and off when you're through. Ask for demonstration.

Ask your Lighting Company, your Radio Dealer or your Willard Service Station to demonstrate for you. Let your own ears hear the difference.

Willard RADIO POWER

Cunningham RADIO TUBES

Government Gift Encourages Study of Forestry in Local Schools

Approximately 1400 Los Angeles County Schoolboys Are Engaged in Forest Conservation Work in Angeles National Forest as a result of the gift from the government of a 250-acre tract lying in the burned district of the Tujunga beyond the first range of mountains parties of young forestry students in the field. Left, cooking chow in high schools in the county are given practical experience as they carry on reforestation work in the area. Above photos show above La Crescenta. Here the students who are studying forestry in the open on the tract; middle, packing timber for new school building, and right, potting pine trees grown at forest center, and caring for young trees. (Times photos.)

Classy Sport Coat of brown and white calf-skin, a skin that is in high favor this fall, displayed above by Marceline Day. Trimming is of brown beaver.

The Successor to Gen. March B. Stewart as head of the United States Military Academy is presented above. He is Maj.-Gen. Edgar B. Winans. (P. & A. photo.)

Blaze New Yorkers Craned Their Necks and ran into each other on the streets when a skillful airman, thousands of feet above the city, indulged in a bit of skywriting as advertisement for a rodeo. The above unusual photo shows letters in the sky. (P. & A. photo.)

A Ten-inch Shade Tree Snapped Like a Match Under Impact of a touring car which late Monday night jumped curbing and crashed into it after skidding on wet pavement. None of the occupants of car was injured. The car is property of Charles Moore, 827 South Beacon street. (Times photo.)

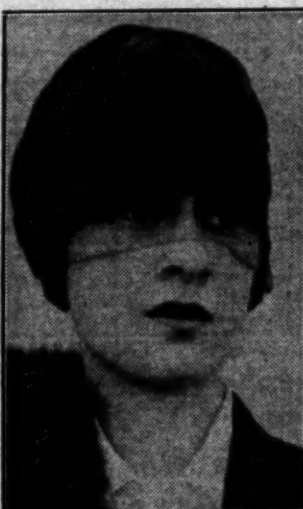

Monarch of Wilds pictured above with Miss Ruth Kelly fell before the rifle of the Los Angeles nurse in Kaibab National Forest in Arizona a short time ago. The buck, which boasted ten points and weighed 180 pounds, is one of the finest specimens taken out of the government reserve this season. (Herbert photo.)

The New Senator from Oregon, Senator Fredrick Steiwer, successor to Senator Stanfield, leaving the White House after conference with President. (P. & A. photo.)

One of the Finest of His Breed in the world is Illo von der Rhone, fawn Great Dane, recently imported from Germany by Harold Lloyd and added to the screen comedian's extensive kennels in Beverly Hills. Photo shows Lloyd and Illo.

"Really Engaged" to marry Prince Hohenlohe Langebourg, nephew of Queen Marie of Rumania, Mrs. Gloria Morgan Vanderbilt, has admitted. (P. & A. photo.)

In Good Spirits apparently, despite his summons to explain to high naval officials certain of his declarations, Rear Admiral Magruder manages to smile. (A. P. photo.)

OUR HISTORY IN PICTURES 862

Buffalo Bill, Scout of Scouts—Part III. Little Billy and the Indians.

by J. CARROLL MANSFIELD

WHEN LITTLE BILLY CODY WAS SEVEN YEARS OLD, HIS FATHER GAVE HIM A PONY. THE BOY NAMED HIS PET "PRINCE" AND BEFORE LONG HAD BECOME AN EXPERT HORSEMAN. BILLY USED TO RIDE "PRINCE" FOR LONG DISTANCES ON ERRANDS FOR HIS FATHER.

THE KICKAPOO INDIAN RESERVATION WAS NEAR CODY'S TRADING POST, AND BILLY OFTEN VISITED THE INDIAN VILLAGES. HE WAS SOON POPULAR WITH HIS RED-SKINNED NEIGHBORS, AND MADE GOOD FRIENDS OF SOME OF THE YOUNGER GUYS.

FROM THE KICKAPOOS, YOUNG CODY LEARNED TO SHOOT WITH THE BOW AND ARROW, TO HURL THE LANCE, AND THROW THE LARIAT. THEY ALSO TAUGHT HIM THE LEGENDS AND CUSTOMS OF THE RED MEN AND TO CONVERSE IN THEIR DIALECT.

IN THE AUTUMN OF 1883, MR. CODY BROUGHT HIS FAMILY FROM HIS BROTHER ELLIOTT'S FARM IN MISSOURI TO THE KANSAS TRADING POST. BILLY HELPED HIS FATHER ERECT A COMFORTABLE LOG BUILDING IN PREPARATION FOR THE COMING OF HIS MOTHER AND SISTERS.

WEDNESDAY MORNING COLDS THAT DEVELOP INTO PNEUMONIA

Persistent coughs and colds lead to serious trouble. You can prevent them now with Creomulsion. Creomulsion is a medical discovery with two-fold action: it soothes and heals the inflamed membranes and inhibits germ growth. Of all known drugs, creomulsion is one of the greatest healing agents for persistent coughs and colds. Creomulsion contains, in addition to creosote, other healing elements with soothing and healing properties. It soothes and stops the irritation and inflammation, while the creosote goes to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of germs. Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchitis, asthmalike and other forms of respiratory diseases, and is excellent for building up the system after colds. Money refunded if any cough or cold is not relieved after taking a course. Ask your doctor for directions. Ask your druggist for Creomulsion.

Chapped lips and face

No amount of cosmetics can make rough, dry, withered-looking lips and face appear attractive. But a few minutes of Resinol Ointment will remove the discomfort and restore the natural smoothness and velvet softness of the skin. Prescribed by doctors for over thirty years, in treating skin diseases, Resinol is now being used by daily increasing numbers of people who turn to it with confidence. It is the first sign of a skin blemish. Easy and economical to use. Quick and gentle in action. Ask your druggist for Resinol.

Resinol

Itching, Annoying Skin Irritations

Apply Healing Liquid Zemo. When applied as directed, Zemo quickly and gently stops itching, soothes skin irritations such as Eczema, Psoriasis, Rash, Dandruff and Chafing. Zemo penetrates, cleanses and soothes the skin. It is a clean, dependable healing agent, convenient to use any time. 35¢ and \$1.00.

Zemo FOR SKIN IRRITATIONS

RADOS

The Doctor Knows! Rados is the most powerful and effective remedy for rheumatism, sciatica, neuralgia, and all other forms of rheumatic pain. It is a clean, dependable, and safe remedy, convenient to use any time. 35¢ and \$1.00.

FOR RHEUMATISM

ASPIRIN

Perhaps you didn't realize that Aspirin relieves the deep-down rheumatic pain, the headache. They do! In fact, for those pains that penetrate, Bayer Aspirin, with Bayer's proven directions inside. Aspirin does NOT harm the stomach.

The Public built These Stores from Coast-to-Coast

We have, from the very start, earned and held the Confidence of our public. The percentage of our repeat customers has increased right along until we are today the *Only clothing makers-and-retailers in the world* where 83% of the customers are come-back customers. Each of Over A Half Million men has bought his second Foreman & Clark Suit or Overcoat. We have never broken faith with a single customer. That has built this nation-wide chain of low-rent Upstairs Retail Stores with their typical blue-and-white broad display entrances

from our starting capital of \$310

and the Public built these Factories
by coming back Season after Season-and bringing us their friends

No Better Factories in the World

In these 5 giant factories, turning like clockwork 52 weeks in the year, are the most practical and advantageous industrial arrangement, the best working conditions, and the best trained and most enthusiastic corps of hand-tailors in the country.

No Better Clothing in the World

In the pocket of every Suit and Overcoat we sell, is our Written Double Guarantee, of all-wool material, high-class hand tailoring, fit, wear and lasting satisfaction, also that we will press, sponge and minor-repair the garment at any time at any F&C Store.

and so-the Public's Confidence has made these —
Guaranteed Foreman & Clark Suits and Overcoats
the best ever built at Any Price.

SCORES DIE IN BATTLE

Patrol Attacked by Guerrillas

Marines and Nicaragua
Guards Hunting for
Lost Aviators

Followers of Rebel General
Numbering About 250
Put to Flight

MANAGUA (Nicaragua) Nov. 2. (AP)—A combined combat patrol of United States marines and the National Guard fought a fierce engagement with guerrillas yesterday morning, killing or wounding sixty of them. One marine was wounded and two national guardsmen were killed. The patrol was under command of Capt. C. J. Chappell and consisted of United States Marine Corps troops fighting occurred six miles south of Jinaco and lasted thirty-five minutes. The guerrillas, who were followers of the rebel Gen. Sandino, numbered 250.

The marine wounded was hit by a bullet from a bandit bomb. One of the marines, also, was seriously wounded and six miles were killed. On the afternoon of the same day, about three miles from Jinaco, the patrol was ambushed by another group of guerrillas, but in a few minutes of sharp fighting the marines and guardsmen scattered the enemy. There were no known casualties in the patrol, which has been active in hunting the missing marine aviator, Lieut. E. A. Thomas and Sgt. Frank Russell, who crashed in this region October 8, last. There are hopes that the aviators still are alive.

AERIAL TRANSPORT PLANE AT PORTLAND

PORTLAND (Or.) Nov. 2. (AP)—The first passenger airplane of the West Coast Aerial Transport Company landed here today. The plane, carrying eight passengers and crew over Portland, was unable to land on account of fog and returned to Salem where it spent the night. The company plans to start service between Portland and Salem and later to extend it south to Los Angeles.

THREE LOSE LIVES FIRST HUNTING DAY

PHILADELPHIA, Nov. 2. (AP)—The first day of the open season for rabbits and other small game took a toll of three deaths in Pennsylvania and Delaware yesterday. Twenty others, including a woman who is expected to die, were in hospitals under medical treatment for injuries. Andrew Kipple, 97 years of age, of Allentown, and to be the oldest hunter in this state, was shot and died shortly after starting in the woods.
